First goal behind him, Nicholls settles in to spot on L.A. Kings

by LEN PIZZEY
Echo Editor

When Bernie Nicholls was told recently that he would be leaving the New Haven Nighthawks of the AHL and joining the parent Los Angeles Kings, he felt just a twinge of regret.

Before the call came, the West Guilford native had established himself as one of the AHL's top players. He had set a team scoring record for a rookie, was three goals away from a league scoring record for a rookie, and seemed certain to net at least 50 goals for the season, a record matched by only one other player in league history.

But he had known all along that his stay in New Haven would be temporary, and it was to gain a place in the NHL that he had worked for years. So, he says, "it didn't take too long to change my feelings about going up."

The call came late in the season, and Bernie admits that it was a bit of a surprise. He had resigned himself to finishing out the season in New Haven in record breaking style. But the Kings needed a left winger who could score and set up plays on the power play and on regular shifts, and Bernie fitted the bill.

He soon found out that the Kings were going to work him hard.

"The first game I played on the power play, killed penalties and played a regular shift" Bernie said on Monday in a telephone interview from Edmonton, where the Kings were preparing for an evening game against the Oilers.

The NHL "is a lot closer checking than the AHL," Bernie says, "and the players are a little bit smarter. They don't give you as much room to freewheel, because they've always got somebody coming at you."

"The boys play it a little tougher," he says, and "it's faster."

Despite the unexpected move to the Kings so late in the season, Bernie seems relaxed and confident about his new responsibilities, and says he isn't really feeling a lot of pressure. He has been told that he will be staying with the club for the rest of the year, and if he keeps up his present pace of a point a game, his future with the team seems assured.

The highlight of his season so far came last week in Colorado, where he got his first NHL goal, added a second in the team's 2-0 defeat of the Rockies, and was named first star of the game.

Both goals came while the Kings were short-handed. The first remains etched in his mind.

"One of their defensemen went to pass it and I just picked it off. It was a breakaway and I deked him (Rockies goaltender Glen 'Chico' Resch).

Bernie kept the puck of course, but he also got another souvenir of that first goal.

"Chico gave me his goalie stick too. He signed it too me, congratulating me."

That first goal had been seven games in

Members of the Minden Figure Skating Club rounded out their season with a carnival Sunday at the community's arena. The skaters performed a series of

numbers based on television programs, to the delight of parents, relatives and friends who packed the arena to view the performance.

MPP to monitor municipalities

Eakins hopes to draw government's attention to inequities

Local MPP John Eakins has been given responsibility for rural municipalities as well as tourism and recreation in the 'shadow cabinet' of Liberal leader David Peterson.

Eakins said in an interview from his Queen's Park office Monday that the new position was created because Peterson believes there has

not been enough focus at the provincial level on problems affecting rural municipalities.

Much of the discussion in the legislature deals with urban related issues, Eakins said, adding that rural municipalities have been placed at a disadvantage as a result.

As an example, he cites

the fact that many areas of the province don't have adequate transportation.

The provincial government uses tax money to support urban transit systems in Toronto, Lindsay, Peterborough, Orillia, and many other communities, Eakins said, but in many small communities, including those in Haliburton County, bus service to larger

areas is infrequent or non-existent.

People in rural Ontario are also at a disadvantage because the taxes they pay go to build better highways in other parts of the province, Eakins noted.

The attitude seems to be that "if you're going to live there (in rural municipalities), you have to do without, and I don't think that's good enough," Eakins said.

Another area of concern Eakins expects to be addressing in his new position is hydro rates. Rural rates are currently 15 per cent higher for year round users in rural areas than they are for urban consumers, while seasonal rates remain 29 per cent higher.

"I think that gap has to close," he commented.

Eakins said he expects to meet with Peterson in the near future to map out a platform that the Liberals will adopt with respect to rural municipalities.

A former mayor of Lindsay, Eakins also served as the president of the Towns and Villages Municipal Association of Ontario before running for the provincial legislature.

Ambulance men deliver baby

Mother, daughter fine after trip interrupted by birth

Parked along highway 121, early last Wednesday morning, Rob Luke and John Hulbig delivered their first baby.

Luke and Hulbig, members of the Minden ambulance crew, were transporting Connie Crego to Haliburton Hospital when the woman went into heavy labour. Earlier, Crego had flagged down two policemen patrolling Minden's main street as she and her two year old daughter, Sue Ellen, were attempting to walk to the Minden Red Cross Hospital.

The policemen took Crego, who was already in labour, to the hospital by cruiser, but since Haliburton hospital is better equipped for births, an ambulance was called to transport her to the hospital 15 miles away.

Luke said that when the

ambulance arrived at Minden hospital, Crego was in labour but delivery did not seem imminent. With Luke driving and Hulbig acting as attendant they headed east along Hwy. 121. The ambulance had only been en route approximately six minutes when Crego went into heavy labour, Luke said.

Realizing they wouldn't make the distance to Haliburton hospital, the men pulled the vehicle off the road in front of PineStone Inn. Both men have had extensive training in delivering babies but neither had ever delivered a child without the aid of a doctor.

"It doesn't happen very often, it was very interesting," Hulbig said in a telephone interview Tuesday.

The delivery was quick and easy, Luke said. He felt the easy birth was the result of

the preparedness of the mother rather than her attendants' skills and the pair took little credit for their role in the delivery. The ambulance was not stopped more than 10 minutes along the roadside when the men decided it was safe to transport the patient and her new daughter to Haliburton hospital.

"You couldn't have had a better delivery if you had sat down and planned it," Luke said.

Dr. Bob Heyes and the hospital staff were waiting at the emergency entrance when the ambulance arrived.

Sidewalks disgrace:

Minden council sets aside funds to aid reconstruction of walkways

Admitting sidewalks in Minden village are "a disgrace", Anson, Hindon and Minden council has set aside \$40,000 to aid future reconstruction.

Two members of the Business Improvement Area (BIA) board of management, Gord Monk and Stuart Brandon, asked council last Wednesday to allot funds for downtown improvements that are the township's responsibility. Stating the BIA is more involved with decorative improvements than reconstructing the municipal sidewalks, Brandon asked if council would match a \$20,000 allotment made in 1979 by the municipality. (This money is still earmarked for sidewalk improvements and has not yet been spent).

"Some of the business people don't think they're getting a fair shake for their buck," Brandon said noting that the municipality spends little on the downtown, except for snow removal, while businesses contribute a large percentage of the area's tax dollars.

Monk, chairman of the BIA, said it was a major "misconception" by the public that the BIA should pay to upgrade the sidewalks in the business core. Brandon agreed, stating the BIA's only involvement in sidewalk reconstruction would be if the organization opted to pay the difference

between ordinary concrete sidewalks and interlocking decorative tile.

"The main street's our own baby," councillor Lyle McKnight added. "They (the sidewalks) are a disgrace and have been a disgrace for many years."

Members of the BIA came before council at this time because council negotiations with provincial ministries may allow the municipality to become involved in a street improvement program over a three year period and the sidewalks should be completed by the same contractor. "It's an ideal time to do it," Brandon said.

Council agreed with the BIA members that a fund for the reconstruction of the sidewalks should be organized and that the previously allotted \$20,000 would be added to it. Council also agreed to set aside \$20,000 for 1981 and to budget for \$20,000 in 1982. Councillor Ed Pergolas reminded the BIA members that no interest would be paid on the funds.

The money will not be turned over to the BIA but will remain in the municipal coffers until the reconstruction is scheduled.

Brandon said he hoped the allotment would set a precedent for future municipal councils to follow each year. Council agreed and included the suggestion in its resolution.

Airport licence revoked

Snow forces temporary closure of facility

Heavy snowfalls and attendant problems of removing it have caused the Stanhope municipal airport to lose its licence temporarily.

The licence suspension came as a result of an inspection by Ministry of Transport officials in February, council was told at a meeting last Wednesday.

A letter from the ministry noted that the runway was plowed to a width of only 70 feet, when 125 feet is required, and that runway markers were not visible as a result of the heavy accumulation of snow.

Council was not concerned about the licence suspension, since the impending spring breakup makes the airport unusable until the ground dries up in late April or early May.

"It's not detrimental to the municipality," reeve Jim Harrison commented.

Once the snow has gone and the ground has dried, the facility will be inspected again, and council is confident the licence will be reinstated.

Minden okays camp

Browndale gets permission to set up site

Plans to establish a wilderness campground in Minden township that could sup- received approval from Anson, Hindon and Minden council.

Don Cameron, property manager for Browndale (an organization committed to helping troubled children), told council the group wished to purchase lots three and four, concession 13, lots two, three and four, concession 12 and lot four, concession 11 in Minden township to be used as a permanent wilderness campsite during the summer months.

Cameron told the councillors that other areas had been used by the campers during the summer months but since those lands had not been owned by Browndale it seemed useless to try to improve them. On the Minden township property, Cameron said the group would like to install a 60 foot mobile home for temporary use as a nursing station. He suggested the trailer would be needed for approximately two to three years until permanent administration

buildings could be erected and other improvements including road construction and organization of individual campsites were completed.

Council agreed to allow the trailer to remain on the property until the buildings are erected.

Cameron said he and Bill Payne, of Minden, who also attended the meeting, planned to ask Ontario Hydro to provide hydro for the property. Presently, the hydro line does not continue far enough along the Bobcaygeon road or Queen's Line to reach the prospective property, but Cameron said Browndale is willing to cover any required costs.

When completed, Cameron said, the campsite will accommodate approximately 160 children from central and eastern Ontario, staff which could number as many as the children and parents who also spend time camping with their children.

Council had no objection to the proposal.

EARLY STANHOPE COUNCIL

Woodcarving a reminder of Stanhope history

Tradition has always underscored the deliberations of Stanhope council, but now a physical reminder of that tradition hangs on the wall of the council chamber. A large bas-relief woodcarving containing the likenesses of some of the township's best known former citizens was recently donated to the municipality from the Estate of Cecil and Jean Irwin, to be hung in perpetuity in the municipal Chamber.

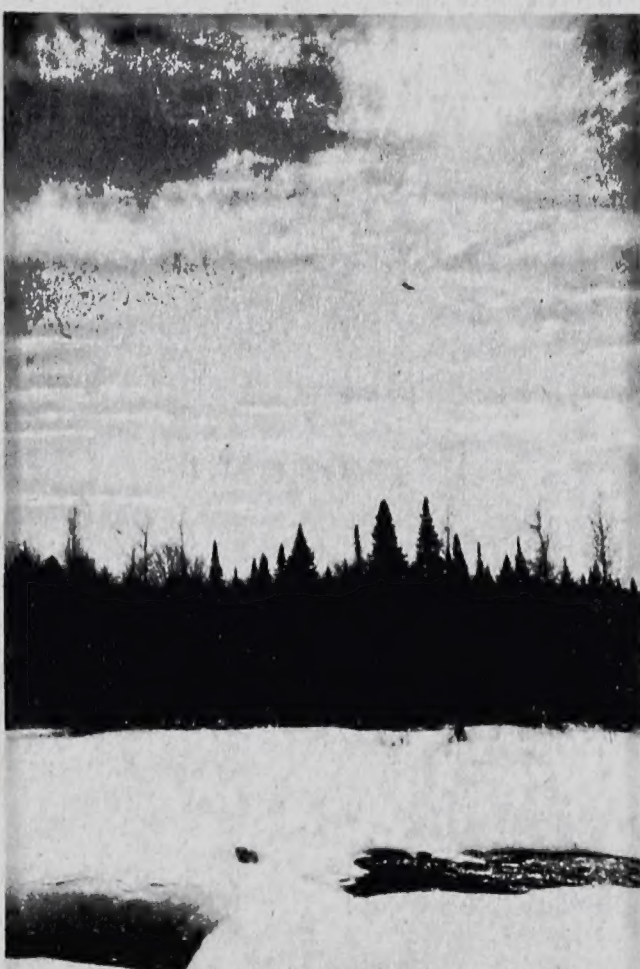

The six foot by three foot panel was created several years ago by a woodcarver in Quebec at the Irwins' request. The carver worked from photographs to create recognizable likenesses of citizens who were prominent in municipal affairs in years gone by. They are shown seated and standing at an imaginary council session in the old Chamber, which has since been replaced by the

modern facility in which council now sits.

Shown in the picture are, from left to right: Jimmie Gwyn, Sam Davies, Jim Sisson (at back door), George Stevens (with foot on chair). At the table are: clerk Joe Beattie, Gibson and George Hewitt (on far side), Ben Sawyer, (near side), along with Clayton Rogers and Reeve Ferrier. The man in the right corner is thought to be Billie Welch.

The piece was carved in the 1960's, and was donated to the municipality late last year. The only stipulation of the donation is that the work is not to be removed from the municipal office for display elsewhere.

Anyone interested in seeing it can do so at the municipal office during normal office hours.

The warm March sun has finally put a feeling of spring in the air, but it will be several weeks yet before the last of the snow is gone. For most people, the end of winter can't come soon enough.

Briefly ...

Truck wheels stolen

A Greenwood, Ontario man was a little surprised when he discovered that both rear wheels were missing from his van last Sunday morning.

William Todd Pascoe, 31, parked his 1980 GMC van along Highway 121 near Loon Lake at 2 a.m. When he returned at 11 a.m., the wheels were gone. The loss is estimated at \$300 for each wheel.

Snowmobile stolen

Police are unsure of the date a snowmobile was stolen from a Lutterworth Township cottage driveway near Moore Falls.

The 1982 snowmobile, valued at \$2,300, was left in the driveway by its owner Michael John Rayment, 21 of Oakville, on March 6. The snowmobile was reported stolen last Friday.

Pick-up flies high

It seems motorcycles aren't the only vehicles involved in stunt jumping these days. Minden OPP report that a 1976 pick-up flew through the air for almost 50 feet, last Tuesday.

The vehicle was being driven along Highway 648 in Monmouth Township, when it manoeuvred over a snowbank ramp and flew through the air.

Keith Woodcox, 19 of Slave Lake, Alberta, Roger Woodcox, 18 and Randy Woodcox, 17, both of Wilberforce were treated for minor injuries at Haliburton Red Cross Hospital.

Keith Woodcox has been charged with careless driving.

Man hurt as car rolls

A Dorset man was uninjured when his car went out of control on a curve and rolled over. Damage to the 1975 vehicle was estimated at \$3,500.

The accident occurred early last Saturday morning.

Lance Payne, 16, was charged with careless driving.

Anson, Hindon and Minden council supports resolution

At its most recent meeting, Anson, Hindon and Minden council considered the following:

Minden BIA gets new member

A new member has been appointed to the Business Improvement Area Board of Management in Minden village.

Jack Brezina, publisher of the Minden Times, will fill the vacancy created by the resignation of Jerry Pilsworth. Pilsworth no longer qualified for board duties after he sold the Stedman's store last year.

Other members presently serving were appointed for another year. Gord Monk, Stuart Brandon and Brezina are listed as supporters while Joe Shapira, Wally Bunn and Bob MacBrien represent the objectors. Councillor Ed Pergolas continues as council's representative on the board.

Council concurred with the resolution of the Town of Seaforth with respect to demanding the Federal Government to show courage by assuming responsibility for the ill-fated urea formaldehyde program.

Curry Bishop was present regarding the matter to close, stop up and convey a portion of the old Twelve Mile Lake Road.

Because council had received an objection from G. & I. Christian to the closing of parts 1 and 3 on a draft plan of survey prepared by H. Curry Bishop dated December 18, 1981 and; because no objection has been received with respect to part 2 on the same plan; Council agreed to close, stop up and convey part 2 on a revised plan of survey and the necessary by-law be prepared.

P.W.D. accounts for the month of February were approved for payment in the amount of \$25,580.16.

Stanhope may get phones

Stanhope Township could be the site of an experimental program to install heat sensitive telephones that would trigger an alarm if a fire broke out in an unoccupied home or cottage.

Deputy reeve Elgin Stouffer told council last Wednesday that he had spoken to representatives from Northern Telecom, manufacturers of the phones, about the possibility of choosing Stanhope as a test area. Stouffer said the township would be ideal because of the large number

of cottages which are used infrequently in the off season.

While details of the scheme were sketchy, Stouffer said the municipality might have to help fund the project if it were tried in Stanhope.

Fire chief George Wilson approved the idea in principle, noting it could help save cottages that otherwise are engulfed in flames before anyone notices the blaze and turns in the alarm.

Wm. Payne of Wrightman Realty and Don Cameron of Browndale Ontario were present.

Council had no objections to the wilderness camping proposal from Browndale Ontario for Lots 3 and 4, Concession 13, Lots 2, 3, and 4, Concession 12 and Lot 4, Concession 11 in the township of Minden and further that permission be granted for the temporary installation of a single wide mobile home

to be used for a nursing station while the property is being developed and permanent quarters established.

Council agreed to absorb up to \$250 in legal costs with respect to a donation of property from P.J.G. Harrington in Lot 10, Concession 5 in the Township of Minden.

The following persons were appointed to the Board of Management for the Business Improvement Area pursuant to By-law 81-24:

Councillor, Edward Pergolas, Supporters, S. Brandon, J. Brezina, and G. Moak; Objectors, W. Bunn, R. MacBrien and J. Shapira.

Council will request the Ministry of Transportation and Communications to install two "Stop Ahead" signs on the Horseshoe Lake Road - one at each end of the road.

Council had no objections to an application for a minor variance made by Brian and Mary Hamilton to reduce the

side yard requirement to 20 feet in a rural zone on Lot 2, Concession 5, Township of Minden.

By-law no. 82-9, a by-law to establish a reduced load period on certain municipal roads and streets, was passed.

By-law no. 82-10, a by-law to amend by-law 73-47, being a by-law to regulate traffic and parking in the Townships of Anson, Hindon and Minden, was passed.

Playing Islanders was season's highlight

from page 1

coming, and when it went into the net, Bernie felt some pressure had been lifted from his shoulders.

"They were wondering if I could score up here (in the NHL), I guess" he laughs.

He has been picking up the pace as he settles in to his new job, and in the three games prior to Monday night, he had racked up five points.

As for the other players, Bernie has nothing but praise. "They've been great", he says. "They treat you really well."

Asked how he likes living in L.A., he answers with an enthusiastic "It's great!" Although the weather has not been perfect, there have been a few days when the thermometer has climbed above 80 degrees Fahrenheit, he says.

Only once since he was called up to the Kings has Bernie felt some sense of awe at the fact that he has finally made it to the pinnacle of his chosen sport. That was when the Kings met the New York Islanders.

The Islanders "have always been my favourite team" Bernie explains. "I started the game and the guys I faced off with were Brian Trottier, Mike Bossy and John Tonelli", his favourite player, whom he met before the game. On the point was

Potvin. It was a daunting moment.

"I was a bit awed against these guys. And then we scored on the first shift, so that was kind of good."

But he had mixed feelings. Trottier had a scoring streak going "so I kind of wanted him to score, and they're doing so well, you kind of want them to win."

Then he realized; "what am I thinking?" I've got to win too" he laughs.

As the season winds down, the Kings are fighting for first place in their division, and are assured of a playoff berth against the Oilers or the Flames. Either way, Bernie will be doing his best to help the team he has waited so long to join.

In the meantime, he'll get a chance to catch up on the news from home through his brother Dave, a star with the Huskies this year, who has flown down to join him for a few days in L.A.

Fire burns out

A home north of Minden on the Bobcaygeon Road suffered from no structural damage during a chimney fire, Monday afternoon.

Minden volunteer fire-fighters were called to the home of Cleveland Stamp, approximately one and a half miles from the village, but did not fight the fire. The chimney burned itself out and the house was undamaged.

ATTENTION PROSPECTIVE HOMEOWNERS

In 1982, the Canada Mortgage & Housing Corporation will be making available housing opportunities under the Rural & Native Housing Program in the Municipality of Dysart et al.

The program offers the following features:

- Homeownership for first-time homeowners and those families living in substandard housing conditions
- Geared to income mortgage payments
- Minimum equity requirements
- New and existing units sold to qualifying families

A representative of CMHC will be in the community to consider applications for this program and provide further information.

Minden skaters delight audience

Carnival features dozens of skaters, colourful costumes, much applause

Members of the Minden Figure Skating club brought their season to a spectacular close on Sunday when they staged their annual carnival before a large and appreciative audience of parents, relatives and friends.

The two hour long carnival, entitled 'T.V. on Ice', featured individual and group numbers depicting television shows and characters.

Solo numbers were performed by club members Julie Hall, Wanda Blakey, Jennifer Gentle, Tanya Willis, Joanne Kerr, and by Lori Moffatt, a guest skater from the Lindsay Figure Skating Club.

Many other skaters performed individual roles in numbers based on television shows and fairy tales.

Those who took part in the

event were: Dayna Atkinson, Sandy Bailey, Wanda Blakey, Misti Campbell, Jennifer Gentle, Julie Hall, Sara Lee Henderson, Christa Irwin, Joanne Kerr, Tammy Pritchard, Tanya Willis, Lisa Box, Lisa Carr, Julie Holiday-Rhodes, Janna Obee, Jennifer Tomlinson, Julie Bird, Fiona Cavanagh, Heather Donaldson, Larissa Gray, Caitlin Hynard, Corbie

Kent, Jaime Kent, Jennifer Murdoch, Kelsey Newbatt, Jason Todd, Grant Wilson, Rebecca Wilson, Nancy Bird, Mairead Cavanagh, Karen Cooper, Tina Cooper, Toni Cooper, Karen Harrison, Karen Little, Cheryl-Ann Russell, Sheldon Stevenson, Jamie Walker, Tanya Berry, Kerry Brezina, Tina Gilbert, Ann Grobb, Michael Martin, Elishya MacKeigan, Keith

McKelvey, Chantelle McKnight, Meaghan Obee, Andrea Pawluch, Dawn Rowan, Chris Todd, Aaron Tomlinson, Liela Zeller, Abby Burk, Gillian Gilligan, Marjorie Phillips, Jennifer Tomlinson, and Lisa Tomlinson.

The carnival was staged with the help of senior pro Jane Symons, junior and intermediate pro Andrea Burk, members of the committee, and parents.

Galway/Cavendish council holds regular session

At a recent meeting of Galway/Cavendish council, the following matters were considered:

General Voucher of \$14,518.73 was approved for payment.

Roads Voucher of \$13,651.32 was approved for payment.

Welfare Voucher of \$915 was approved for payment.

Minutes of the Cavendish Platoon of the Galway Cavendish Volunteer Fire Department meeting of February 17, 1982 were accepted as presented.

Council agreed to purchase surplus equipment from the Township of Smith at a cost of \$4,000 and the purchase will be provided for in the 1982 budget.

Members of the Cavendish Platoon of the Galway Cavendish Volunteer Fire Department were authorized to attend training sessions, to be conducted by the Peterborough Fire Department in Peterborough.

Walter Smith was appointed Deputy Fire Chief and Leon Wright Fire Captain of the Galway Platoon of the Galway Cavendish Volunteer Fire Department, as recommended by Chief Hickey.

Minutes of the Galway

Cavendish Culture and Recreation Committee meeting of February 16, 1982, were accepted as presented.

Minutes of the Roads Committee meeting of February 26, 1982, were received.

The Road Superintendent was authorized to attend the Ministry of Transportation and Communications road superintendent school at Guelph University, May 2-5. Council had no objection to aggregate being extracted from lots 14 and 15, Concession A Galway, for use in the resurfacing of Hwy. 649, Ministry of Transportation and Communications contract 82-19.

The MTC will be requested to erect a sign at the junction of Highway 649 and the road leading to the south side of Silver Lake, reading: "Little Silver Lake Road" as soon as conditions permit this spring.

By-law 82-10, a by-law in respect to the paying of remuneration and expenses, was passed.

By-law 82-11, a by-law to establish load limits within the Townships, was passed.

The Reeve was authorized to sign the 1982 Canadian Red Cross Society's agreement for home visits at a fee

of \$51.76 for an eight hour day, or \$6.47 per hour if less than eight hours is worked and \$77.64 per a twenty-four hour day.

The Experience '82 program was referred to the Culture and Recreation sub-committees for their consideration and input as to possible projects.

The Peterborough Examiner will be purchased for the year 1982, at a cost of \$73.00.

The request from the Peterborough Hospital's Lottery Inc., to include advertising for the lottery with annual tax bill mailings, was tabled.

The clerk treasurer was authorized to attend meetings/conferences during 1982 for the Association of Municipal Clerks and Treasurers of Ontario.

The Analysis of actual rev-

enue vs budget and the analysis of revenue vs expenditure for the year 1981 was received, reflecting an excess of revenue over expenditure for the year of \$587.

The rezoning application from Somerville Township to rezone lot 1, concession 8, from Rural General (A1) to Highway Commercial Special (C2-S1), was received.

The analysis of assessment and taxation of comparable commercial and residential properties within other select municipalities in Peterborough County, was received for information.

Local students to tour Greece

March break will be a little more memorable than usual this year for 28 Haliburton Highlands Secondary School students. Next Friday, March 19, they'll board a plane in Toronto and head off for a 10 day tour of Greece.

The students, all in Grade

11, have raised almost \$7000 in the last two years to help offset the cost of the trip.

Six adults, including HHSS history teacher Frank Wallace, will accompany the students to such famed sites of classical antiquity as Athens, Corinth, Mycenae,

Epidauros, Patra, Olympia, Delphi, Sounio, the Saronic Islands and Crete.

The students will leave Haliburton at 6:30 in the morning on March 19 and will arrive back in the evening, March 28.

Hyland Crest receives accident award

Hyland Crest Home has received the Ontario Hospital Association's Accident Prevention Achievement Award for the year ending March 31, 1981.

The Award is presented by the Association's Hospital Occupational Health and Safety Services (HOHSS), to the health institutions with the lowest frequency of lost time injuries among its staff.

It is Hyland Crest Home's first award.

Hospitals and other health care institutions are classified in seven different categories, based on hours worked annually. Awards are presented each year to those institutions in the province with the best safety records.

Of the 162 hospitals and 95 other health care institutions in Ontario now participating, 27 have earned the Award this year. All hospitals and other health care institutions in the province are eligible to

receive the award.

Chairman of the Committee of Management of Hyland Crest, Murray Fearrey congratulated the Home's staff on their earning of the Accident Achievement Award. "An effective accident prevention program can only be achieved with the cooperation of all staff members, and it's up to each individual to ensure his own safety and the safety of those around him," Fearrey said.

NOTICE

Under the Forest Fires Prevention Act,

The period from April 1 to October 31 in each year shall be a fire season.

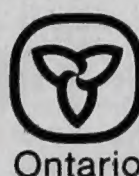

Fire permits are required in a fire district

- for all outdoor burning except cooking or obtaining warmth
- to ignite fireworks within 1000 feet of a forest or woodland.

A work permit is required to conduct any operation which is liable to cause an accumulation of slash or debris within 1000 feet of a forest or woodland.

No person shall smoke while walking or working in a forest or woodland.

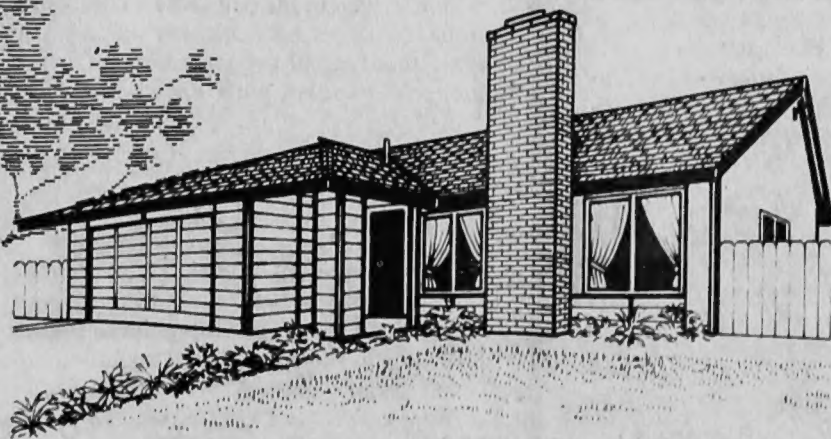

Fire permits may be obtained from local Ministry offices or township fire wardens.

A hard winter

When the warm rays of the late March sun begin to eat away the last of this winter's snow, a palpable wave of relief will sweep over the people of Haliburton County. For many, the spring will bring renewed hope after a bleak winter without work. For others, the coming of warmer weather is a harbinger of the summer boom that fills empty tills and allows bank loans to be repaid.

Despite the elation that comes with warm winds and cleansing rains, however, this spring will not entirely wash away the realization that in Haliburton County, seasonal hard times are here to stay. Forest based industries that were once the mainstay of the community are hurting badly, and it remains to be seen if they will survive. Tourism helps, for those with the foresight and the financial backing to upgrade facilities and tap winter business, but those who must depend on an eight or ten week summer season, will find themselves on shaky ground at best. And the prospects for improvement look bleak.

Perhaps more than any other in recent memory, the season that is now ending has driven home the fact that when economic conditions are bad in other parts of the country, they are worse here. And it has made it abundantly clear that unless there is a meaningful turnaround and demonstrable growth, Haliburton can expect to lose many of the people who now make up its population. For the fact is that unless new jobs are created in the forest industry, in the tourism and retail sectors, and in some form of manufacturing, men and women with families to feed and pride to satisfy, will have to seek work in other parts of Canada.

That is the harsh reality that taints the rains of spring in Haliburton County.

The right time

The announcement that Victoria/Haliburton MPP John Eakins has been given responsibility for rural municipalities in the provincial Liberals' shadow cabinet is an important one, because it demonstrates that at least one party at Queen's Park recognizes that Ontario extends beyond Brampton and Metro Toronto. Far too often the deliberations of government demonstrate a distressing ignorance of the diversity of life outside Ontario's cities. All too frequently, politicians operate with an urban mentality that puts the problems of cities ahead of the problems that plague many other parts of the province.

Because Haliburton is located in a kind of no man's land between Muskoka, the Ottawa Valley and the Golden triangle it has sometimes borne the brunt of the provincial government's ignorance of the fact that rural does not always mean farm, and that urban does not always mean superhighways and housing sprawl.

Haliburton County residents can justly claim to have been ill used in more than one area of provincial responsibility. License fees are a traditional bugbear. Although county residents must endure some of the worst highways in Ontario, they pay the same rates for vehicle licenses as do people in Southern Ontario, where roads are strikingly better. Yet people in Sudbury, Thunder Bay, Sault Ste. Marie and other well developed urban areas, are deemed to live in the hinterland, where roads are so poor that a mere \$10 will suffice for the privilege of travelling on them.

Hydro rates are another inequity that should be addressed. While rural rates have come down relative to urban rates, the net effect is still detrimental to people who live outside areas serviced by municipal utilities. Hydro rates should be uniform across the province, and the cost of maintaining the service should be borne equally among all consumers.

These are but a few examples of problems that have been exacerbated by the present government's tendency to give precedence to urban issues.

It is to be hoped that with a designated opposition spokesman, the issues will now be brought to the forefront.

Feir Play

Creighton Feir

There seems to be one word that stands out in my mind this week and that word is involvement. Many of us never seem to get involved in anything and it seems to be the old story about the same people doing most of the work in most of the communities. It seems to be the old story of why should we worry about it and let George do it. In my opinion all of us should be involved in at least one thing in the particular area in which we reside. If one looks around you will find that you can see many organizations and projects that you can become involved with and here are just a few: Service clubs, minor hockey, school of fine arts, boy scouts, cubs, beavers, brownies, guides, church work, curling, figure skating club and I could go on and on. Why not get involved in something it would certainly make the workload a little lighter on those who seem to take a very active part in so many various things in the community. There are many people in the community who are very active in many aspects of our society. These are the people who go around helping others with very little fanfare. I have always taken a great interest in politics in all levels of government, whether it be municipal, provincial or federal. I take a stand and practically everyone who knows me is well aware of the political party I support. I enjoy getting involved. There is an old saying that goes something like this. "If you stand for everything, soon you will stand for anything". How true this is. By getting involved you will find a great deal of satisfaction that we guarantee will give you a different outlook on life.

I seem to be fascinated by advertising signs that stand out in front of local businesses and change from time to time. When I was in Minden last Saturday, I noticed the one in front of Dixie Lee had a humorous message. Here is what it said; Bored? Come On In and Get Fed Up. Driving on down Highway 35 my attention was drawn to the wording on the sign in front of Prentice Roads Ltd. It said "Welcome Home Paul". I am sure this is good news to all of us to hear that Paul Prentice who was badly hurt in a snowmobile accident was well enough to return home. We join with his many friends in wishing him a speedy recovery.

And they call this hard times when it appears that well over half of the people in Haliburton County will be heading to the sunny south for the March break.

The Rotary Club of Minden have had some very interesting speakers at their past three meetings. On February 14 it was Jack Rogers of Peterborough, former District 701 chairman of Youth Exchange who addressed the club on the origin, purpose and state of health of youth exchange in the district. On February 21 Mike Wilton of the Ministry of Natural Resources brought the club up to date on the state of health of deer and moose in Haliburton County and Algonquin Park. On March 1, Constable Gary Chapman, Minden Rotarian and Minden O.P.P. officer presented movies on the wisdom of seat belts and the importance of careful observation during crimes such as bank hold-ups. On March 8th the meeting took the form of Minden Rotary Club business.

Some of the side roads and highways in the county have started to heave and potholes abound wherever you look. Some motorists tell me that some roads are worse than others with the worst yet to come.

The boys at Emmerson Lumber Limited on Maple Avenue have a great sense of humour when it comes to their advertising sign in front of their store. Last Wednesday morning following the end of the world scare I was walking to work and I noticed that the sign read "Doomsday Sale - Last Chance".

George Nicholls of West Guilford tells me that it keeps him busy running around the country watching his boys play hockey. On Wednesday, March 3 he was at the Maple Leaf Gardens in Toronto to see Bernie play with the Los Angeles Kings on the National Hockey League, then it was on to Angus, Ontario on Thursday night to see another one of his boys play with the Haliburton Midgets then on the Saturday night he was back at the arena in Haliburton to see his other son Dave play with the Haliburton Huskies in a playoff game with the Parry Sound Shamrocks.

The boys and girls who attend the 4 C's in Haliburton would like to thank all those people who invited them into their homes and paid them money to do the odd jobs that they needed to be done. The money will be used to help with the work at the 4 C's. They tell me that the young people who are attending are really enjoying themselves.

The Rev. John James from the United Church in Haliburton gave a very interesting and thought provoking talk to the members of the Rotary Club of Haliburton last Thursday evening. He spoke on the subject of "Skilled in Living".

I am sure that we are all pleased to see that Bernie Nicholls scored the only two goals of the game the other night as the Los Angeles Kings downed the Colorado Rockies 2-0. The game which was played on Tuesday evening March 9 in Colorado saw Bernie score his first and second goal in his rookie year.

Reader replies to FM licence applicant

Letters to the Editor

To the Editor:

As a member of "Friends of CFMX Cobourg, Haliburton/Minden Chapter, I would like to comment on Mr. Abernethy's letter to the Echo, published March 10, 1982.

1. CFMX-FM did not become available last fall. It was on the air long before that.

2. The reason why no one appeared in support of the station at the CRTC's public hearing in Toronto is very simple. The listeners were not aware of any problems and no one, including the owner itself, anticipated that the station's licence would not be renewed.

3. The "Friends of CFMX" came into being as a spontaneous combustion of public opinion which consolidated itself into a movement in September, when it was first announced that the CRTC was not renewing the Classical station's licence. A flood of telegrams, letters (9,000 of them) and phone calls reached the station itself, the CRTC in Ottawa, the Hon. Francis Fox, and local MP's, from an outraged listening public. Papers all over the area gave news coverage to the CFMX-FM closing; radio stations reported not only the closing, but (like the papers) gave editorials on the subject. Public reaction refused to keep silent. By mid-October, a formal Resolution and Appeal for the return of the station went forward to the CRTC, along with the announcement that petitions from localities all over the area would follow. The voice of the people was speaking, a silent minority had suddenly become vocal.

By mid-November, a Brief went forward to the CRTC from "The Friends of CFMX", stating its case against CRTC Decision 81-695; in the middle

of December, a second Brief with a detailed analysis of the station's programming was submitted to the Commission to show that the station had been meeting the requirements set down by the Broadcasting Act, its Consolidated Schedules and CRTC Directives and requirements. The Chairman of the Commission, Dr. John Meisel, advised the Central Executive that another Public Hearing, this time in Cobourg, would take place on March 30, 1982. CFMX-FM and two other stations will be applying for the licence.

4. The only alternatives to the classical station are country and western or rock and roll music. We understand that your Company, Stonehaven Communications, proposes a Country and Western Contemporary station. You realize, no doubt, that there is an overabundance of this type of programming available to listeners at the present time!

5. You are right in stating that the CBC is charged to provide classical music programming to the Canadian public. The problem is, however, that they are doing so only to a limited degree. It's FM stations provide about an hour of classical music in the afternoon and about two hours late at night, when ordinary citizens are asleep. Anyone wishing to listen to this type of music, has to turn to one of the numerous U.S. classical stations, if he or she is lucky enough to receive the station's signal. This, of course, is not possible in Haliburton County. CFMX-FM filled the gap. It gave us all-day classical music programming, both entertaining and educational. The quality of the music was far superior to that offered by the CBC network, including 94.1, the CBC's Classical station, broadcasting out of Toronto. In fact, CFMX-FM was unique in Ontario and perhaps in Canada. No other network was willing, or able to provide this type of programming, which became immensely popular with its audience. For this

Player proves hard work pays off

Editor's Notebook

by LEN PIZZEY

Anyone who witnessed the exodus to Lindsay on a recent Wednesday evening when the L.A. Kings were in Toronto will know just how interesting hockey becomes when one of the players is a local citizen and a rookie to boot. Lindsay, was of course, the nearest place where you find a television that would give decent reception on Channel 11, Hamilton, which carries the Leafs' Wednesday night home games. And

with tickets for a Leaf game almost impossible to come by no matter how dismal the team's record, the only way to see Bernie Nicholls in action was to watch the game on television.

The goodwill that has been extended toward the young star from West Guilford is a measure of the pride local people feel when one of their own makes it in a tough and competitive profession.

Even if Bernie Nicholls never achieves the rank of superstar, he seems destined to make an important contribution to his team, and at the same time, to the lives of local people who will follow his career with interest.

It's nice to know that in a country where free rides have become a way of life, talent and hard work can still bring success.

The Haliburton County Echo is an independent newspaper serving Haliburton and Victoria Counties for over 80 years. Established in 1882 as The Minden Echo and Haliburton Recorder and amalgamated with The Minden Recorder in 1977. The Haliburton County Echo is published by Algonquin Graphics Limited in Haliburton, Ontario, Box 380, R1M 1B0. Phone 457-1037.

Advertising is accepted on the condition that, in the event of a typographical error, the portion of the advertising space occupied by the erroneous item, together with a reasonable allowance for signature, will not be charged for, but the balance of the advertisement will be paid at the applicable rate.

In the event of a typographical error advertising goods or services at the wrong price, goods or services may not be sold. Advertising is merely an offer to sell and may be withdrawn at any time. The Publisher reserves the right to restrict all ads to their classifications and to edit or reject any copy.

VIEWPOINT

Pic of the Past

Many of you will remember back to 1939 when this picture was taken showing the Lookout Cabins which were located at the first crossing in Haliburton next to where the airplane now stands. At that particular time they were owned by Fred

Edwards who later on sold them to Al Perrin who now resides in a home he built on this same location. Our thanks to Harvey Fearrey of Haliburton for giving us permission to use this photo.

Fish makes trip to Sportsmen's show

From the Chamber

by Bob Stinson

Ritchie Harrison of Carnarvon caught a 22 lb. Lake Trout in Boshkung Lake last winter and subsequently donated his trophy to the Chamber for display. The Chamber was not in a financial position to have the fish mounted but fortunately Mike Reader of Wildlife Taxidermy in Peterborough donated his services in the interest of good public relations.

Mike has done a beautiful job of mounting this 36 inch lunger and we hope to get Ritchie in to have his picture taken with it. It will make a very impressive conversation piece both at the Chamber office and at shows that we attend. In the meantime it will make its debut at the Toronto

Sportsman Show beginning this Friday at the Coliseum at Exhibition Place.

A couple of our regulars, that is members who participated with us in the Chamber booth at the show, will not be with us this year. Due to the success of previous years Bowes & Cocks Real Estate and Haliburton Hockey Haven are now renting booth space on their own. We will miss their participation but are pleased that this creates even more promotion for the County. We hope many of you will drop down to the show and come by to say hello to both them and us.

Tales of the Trail

This excellent book of poems written by Theo Peacock, "The Haliburton Trapper" was an instant success when it was first published back in 1974. It depicts life in the woods for the hunters, trappers and lumbermen in an era fast fading from reality. It is also enhanced by some fine sketches through the kindness of Carol Finn.

Theo wanted no profits from his works and donated all proceeds to the Gooderham Public Library. When all the initial printing was exhausted there was still a heavy demand for the book so the library has now invested the entire proceeds they realized from the first printing into a second printing of 1,000 copies. They are now available once again at all the Haliburton County libraries and several retail outlets. Through the assistance of Don Finn we are also able to offer them through the Chamber office. The cost is \$6.50 and the book makes a very worthwhile gift with a local flavour for any occasion.

More letters...

from page 4

reason alone, it should have been allowed to stay on the air.

6. I admit, the station was not perfect, but thousands of listeners would not defend it so "stupidly", as you put it, and fight so hard for its right to exist if similar programming was available elsewhere. The listening public would have a better chance of getting the music it really wants, if Government and Business would consult with radio audiences, instead of relying on "industry accepted research methods", as you put it. Time and time again, these methods have proven to be inaccurate. It was this type of research which convinced Detroit auto-makers to continue to build big cars, long after the market for them had disappeared. You state that all of the research methods show that classical music in general and CFMX-FM in particular does not have an audience. How do you explain then that within days of the closing of this station, 8 chapters of "Friends of CFMX" came into being; comprised of thousands of people?

7. These chapters of "Friends of CFMX": Cobourg/Grafton, Port Hope/Kendall, Peterborough/Lindsay, Haliburton/Minden, Belleville/Dororo, Kingston/Gananoque, Toronto/Oshawa and Hamilton/Dundas are now intervening to bring the station back on the air.

Here's to better research!

Yours truly,
Leopoldina Dobrzynski

Throne speech a rehash of promises

Queen's Park Report

by John Eakins, MPP

The Throne Speech, opening the second session of the thirty-second Parliament, focused on the depressed state of the economy. As usual with Mr. Davis, blame was laid at the feet of the federal government. To me it was the same old story: no money for job creation, but lots for purchasing SUNCOR, a private jet, Minaki Lodge, etc. It really was a rehash of programs promised in other speeches.

I found it disappointing that there was no commitment to skill training for our young people, especially when Ontario Hydro goes to England to recruit technicians, and our own young people walk the streets looking for work.

Proposed social reforms included improved equal pay legislation for women, support for day care and mandatory automobile restraints for children under five years old, or weighing less than 50 lbs.

Since no dollar values were attached to any of the Throne Speech proposals, we shall have to wait until the budget comes down next month to assess the value of the promises made.

Apparently the Premier and his colleagues continue to place their faith in the Board of Industrial Leadership and Development (BILD) Program and the upturn in economic conditions in North America predicted for later this year.

The province is at present supplementing Unemployment Insurance payments to provide employment for forestry workers. It seems the Treasurer is to negotiate further with Ottawa for the use of UIC funds to "provide employment in other areas of worthwhile endeavours", and the intention is to do the same for workers in the mining industry as has been done for forestry workers.

Farmers have been promised an expansion of the Farm Adjustment Assistance Program, and there is to be more start-up capital assistance for young farmers.

Laid-off workers are promised additional protection under the Employment Standards Act. Severance pay is to be given priority over other claims upon a bankrupt company. Non-union employees are to be given their first protection against unjust dismissal.

A chance to compare areas' attractions

Serendipity

by SUE COOPER

Finally, I was allowed a slight break from the mid-winter blues this past week-end. The slush of late winter is no more appealing in other parts of Ontario than it is in Haliburton, but none-the-less, we set out on a casual jaunt to the nation's capital.

To become a tourist in a strange city is in direct conflict to living most of the year as a resident in a tourist-oriented county. Little concerns of tourists that hitherto had held virtually no relevance to my day-to-day life immediately became important.

What is there to do; to see; to eat?

Naturally, in Ottawa, there is a host of entertaining opportunities. There is, of course, the insistently ringing bell in the Parliament buildings, the National Gallery, The National Museum of Science and Technology, the National Aeronautical Museum, craft markets and old-fash-

ioned food stores. With only three days to spare, little else could be wedged into our itinerary.

During this visit I couldn't help but wonder, why city residents with an unbelievable number of sight-seeing opportunities would consider travelling to Haliburton County. My understanding must be dulled by my perspective. Life is filled with glimpses of clear lakes, quaint galleries and libraries, forests and rock outcrops covering hills; on a day-to-day basis it is difficult to appreciate the beauty of nature.

While this trip did bring me to realize, once again the magnificence of the area, I was made aware of the shortcoming of attractions in the area and our continued need to upgrade our entertainment facilities and to provide activities for our tourists to enjoy.

Anyway, it is good to be back.

Friendly competition in tourney

Jack Greenfield presented the winner's trophy to Chris Greenfield of the Tri County Novice after they defeated Omeme in the Glen Dart tourney Saturday.

Teams from Haliburton, Minden, Omeme and Bobcaygeon wound up their season with some friendly competition in the annual Glen Dart Memorial hockey tournament in Haliburton Saturday.

In the opening match, Haliburton and Minden Tykes battled to a 1-1 tie and each could claim a share of the winners' trophy.

Haliburton took the lead in the first period when Greg Stamp put one into Minden's crease, but Minden came back to net one in the second period. Despite a valiant effort, neither team managed to score in the third period.

Derik Gear was named the star for Minden while Greg Stamp was a standout for Haliburton.

The trophy was presented by Roger Dart of Minden.

In game #2 of the tournament, Haliburton's Tri-county Novice team took on Omeme. The match proved to be a low scoring affair, as Haliburton's Ryan Griffin got the only goal of the game in the first period.

Haliburton netminder Jamie Hunter was named the game's star for his team.

The championship trophy was presented to Haliburton's Chris Greenfield by Jack Dart.

Game #3 pitted Haliburton against Haliburton as the Atoms split up into two squads.

Haliburton #2 proved to be the better of the two teams, as they scored three goals to take the title. Scoring was Christopher Dair

with two and Kent Miller with one.

Presenting the trophy to the winners was Debbie Dart of Minden.

The final game of the tournament pitted Haliburton's Tri-county PeeWees against their counterparts

from Bobcaygeon. Despite Haliburton's best efforts, the visitors emerged on top, scoring one goal in each period for a 3-0 shutout.

Sheldon Perry was named top player for Haliburton. The trophy was presented by Nellie Dart of Haliburton.

Midgets could win series if superior play continues

Haliburton's OMHA Midgets appear to have a good chance of winning their all-Ontario semi final series against Wellington, if they can use their superior skills to advantage. After dropping the first game of the series in Wellington on Friday, the local club came storming back to dominate play for much of the second game in Haliburton Sunday. But aggressive play nearly cost them the game, as they watched a 5-2 lead evaporate into an overtime showdown that was not decided until the final seconds of the fourth period.

Haliburton had a lot of trouble in the opening game of the series, and were simply unable to muster the scoring punch they needed to stop Wellington on their own ice.

In the first period, Wellington surged to a three goal lead before Steve Smith put Haliburton on the board with help from Scott Rae. Wellington quickly added another however, and Haliburton had their backs to the wall.

The teams traded goals only seconds into the second period, as Steve Smith scored unassisted. Then play settled into a standoff, as neither team could connect.

The pattern continued for 10 minutes of the third period before Wellington added two more to put the game out of reach.

Scott Rae's goal with 1:33 left on the clock, assisted by Smith, left the local Midgets on the trailing end of a 7-3 score.

Local fans turned out in force on Sunday for the second game of the series, and the support appeared to help, as Haliburton dominated play for much of the match.

The team was slow getting off the mark in the first period, allowing Wellington to gain the advantage less

than two minutes into the opening period. But at the four minutes mark, Kelly Mitchell, who proved to be the deciding factor in the game, notched the first of four goals he would score, including the eventual winner in overtime. Jeff Bain assisted on Mitchell's opener.

Wellington again took the lead at 6:41, and maintained it until, with 1:11 left in the period, Kevin Warburton netted the tying marker on a play that was set up by Bernie Upton and Kelly Mitchell.

Haliburton took fire in the second period and quickly added three more goals to

surge to a 5-3 lead. Scoring were Mitchell from Scott Rae and Barry Boice, Bain from Smith and Rae, and Warburton from Boice.

Penalties began to take their toll, however, and Haliburton consistently found themselves playing short-handed as the game progressed.

Wellington came back with a goal before the period ended, and in the third, they notched two more in quick succession to tie the score.

The action was fast and rough as both teams did all they could to regain the lead. Finally, with 1:26 left on the clock, Kelly Mitchell scored

Please turn to Page 7

Greg Stamp of Haliburton and Cam Berry of Minden shared the winners trophy after a 1-1 tie in the opening game of the Glen Dart tournament Saturday in Haliburton. Presenting the trophies are Roger Dart of Minden and Nellie Dart of Haliburton.

Bantams tied in semi-finals match

A terrific battle has developed between two excellent teams closely matched in every department, in the Bantam Ontario Semi-Finals. After three games the teams are tied with three points on the basis of one win each and an overtime tie. The series now reverts to a six point series from a three out of five because of the tie in the first game of the series. Both teams have a balanced attack with excellent defence and goaltending.

In the first game in Haliburton last Wednesday it was evident to everyone that the teams were close in ability, although Haliburton held a slight edge in shots in regulation time.

Len Johnston opened the scoring in the first period on a pass from Mike MacNaull at 7:28. Ennismore tied the game four minutes later. Johnston scored his second of the game this time from Ian Cooper in the last minute of the period.

Mike MacNaull scored to give Haliburton a two goal lead at the 10:15 mark of the second with Tran LaRue and

Cory McKnight drawing assists. It appeared at this point that Haliburton would walk away with the game as they threatened several times in the dying seconds of the period. Both Johnston and LaPorte missed golden opportunities to salt the game away. Haliburton out-shot the visitors 22 to 15 at this stage of the period with both goals, Duchene in the Haliburton net and Lavigne blocking the shots in the Ennismore net.

Ennismore came out skating hard in the third and forced the Haliburton defence into a few bad passes in their own end and their tough forechecking paid off with a goal at 4:39 of the period. It appeared as though Haliburton might hang on to their one goal lead to win the game but Dave Houghton, up from the Ennismore PeeWees, tied the game with less than four minutes remaining to force the overtime.

The shots on net favoured Ennismore 11 to 10.

The overtime period was very exciting as overtime

always is, but Ennismore seemed to be hungrier. They dominated play only to have Duchene come up with several excellent saves. The play was end to end and had the fans thrilled with some excellent hockey as time ran down. Neither team could connect with the winner as the bell sounded to end the game and give each team a point in the series.

Haliburton travelled to Ennismore on Saturday

evening for a 5 p.m. game and were able to return home with an overtime victory on the Ennismore home ice. The local fans were once again treated to another barn burner of a game as both teams played outstanding hockey throughout the game.

Ennismore opened the scoring in the first period after only a minute and a half and shocked the Haliburton club into realizing they were up against a team who had

come to play. Haliburton came on a little stronger in the second when Paul Kuno scored on a pass from MacNaull after only 10 seconds of the start of the period. As play wound down with both teams having equal amounts of the play, Ennismore scored with less than a minute remaining to take the lead. Len Johnston let Haliburton off the hook with the tying goal with only 27

Kinsmen host annual derby

A total of 68 fishermen turned out to compete in the annual Haliburton Kinsmen fish derby March 7 at Kosh-long Lake, and when it was all over, Earle Sisson took home top prize with a 7 lb, 6 oz. catch.

Second prize went to Paul Rouselle with a 6 lb. fish.

No one else came close to hooking a fish that would match the weight of the winners. In fact, the third prize winning fish of Joe Ruska tipped the scales at

just one pound, 14 oz. Fourth prize went to Barney Travis for a 1 lb., 13 oz. fish. Fifth was Grenville Graham with a 1 lb., 7 oz. fish, and sixth was

Jack McDonagh with a 14 oz. fish.

The ladies' prize was awarded to Dorothy Mintz

Haliburton rinks lose final

On Saturday and Sunday, March 6 and 7, two rinks from the Haliburton curling club won their first two games over Beaverton and Lindsay in the Zone 4 finals of the Silver Tankard before losing in the final to Peter-

borough Curling Club who finished second in Ontario last year. The local rinks were Steve Collier's rink of Bob Deremo, Randy Collier and Carl Heins and Bob Collier's rink of Ray Scott, Mervat Mintz and Glen Blair.

"I beat high energy costs by installing a Carrier Heat Pump"

Mr. W. Wood, Mississauga, saved over 40% in energy costs last year! In May 1980, Mr. Wood installed a Carrier Heat Pump and converted to electric heat. How much did he save in the first year, alone?

Over 40% on his previous costs with an oil heating system in the severe winter of 1981 when temperatures hit record lows.

Carrier has pioneered the way in heat pump technology since 1932 to bring you heat pump systems that are more efficient. More efficient in the use of energy. More efficient in reliability and long life. And more important, more efficient in saving you money on high energy costs. Plus with a Carrier Heat pump system you get all season comfort. Your heat pump works as an air conditioner in summer! Find out how you can beat energy costs like Mr. Wood by calling Carrier today!

Carrier
No. 1 air force in the world

For more information contact your Carrier dealer, today!

PeeWees lose quarter final

The Haliburton Little Huskies' PeeWees bowed out of the All-Ontario playoff series this past week-end after dropping the quarter-final series to Angus three games to one. The Little Huskies had not been given much chance of advancing out of their own zone this year as the team consisted of primary first year PeeWee players; only one player from last year's team suited up for the Little Huskies this year. Despite the youth and inexperience the Little Huskies enjoyed a very successful year, advancing past Beaverton and Cannington and eventually losing to Angus.

Haliburton won the opening game of the series by a score of 3-2. Angus started strongly, scoring the first goal. Haliburton fought back, however, and scored

with seconds left in the second period as Jeff Popple notched a power play goal with help from Erin Nicholls and Jaro Cooper. The Little Huskies went ahead to stay early in the third period as Erin 'Red' Nicholls tallied twice on two fine set-ups by Jaro Cooper. Angus managed to score once more before the game was over but Darryl Goodall's fine stand-up goaltending stymied the Angus attack from that point on and the Little Huskies emerged with a 3-2 win.

In game two played in Angus on March 6, the Little Huskies lost a heart-breaker in overtime by a score of 4-3.

After a scoreless first period, Jaro Cooper connected on a pass from Red Nicholls to give the Little Huskies the early lead. Angus tied the score before the end of the second period. Jeff Popple, playing perhaps his strongest game of the year, gave Haliburton the lead again at the 12 minute mark of the third period as he was sent in all alone on a neat lead pass by Colin Hunter. Popple gave the Angus net minder a shoulder and head fake and then deposited the puck into the empty net. Angus fought back to tie the game and force the overtime period.

The play in the overtime

period was very close. With four minutes to play Angus picked up a loose puck and lifted a backhand over a sprawled Goodall in the Haliburton net. Despite pressing hard, the Little Huskies were unable to notch the equalizer and were defeated by a score of 3-2.

The third game of the series was played in Haliburton last Tuesday night. The Little Huskies, who had averaged just over four minutes in penalties per game throughout the year, were assessed 10 minutes in penalties in a 12 minute stretch during the first two periods. Many of the penalties were of the questionable variety and Haliburton found themselves behind by a score of 3-1. Red Nicholls had scored the Little Huskies' goal as he jumped on a rebound off a Ron Perrin shot from the point to score Haliburton's lone goal. Angus scored the lone goal of the third period and came away with a 4-1 victory.

In the fourth game of the series the Little Huskies came out in the first period fired up, determined to force a fifth game in Haliburton. Red Nicholls put on an impressive performance in the first period as he scored three straight goals to give

the Little Huskies a 3-0 first period lead. Nicholls' first goal came on a hard low shot as he had taken a pass from Jeff Popple. Big Red's second goal came as he took a lead pass from Colin Hunter and crossed the blue line. A faked slapshot sent the defencemen aside and Nicholls made no mistake as he moved in all alone on the goalie. Nicholls completed his hat trick on a hard snap shot to the top corner unassisted.

Haliburton scored another goal early in the second period which was disallowed for being kicked in. After this call Angus picked up momentum and notched two goals before the end of the period.

Angus tallied twice in the third period to seal the Little Huskies' season as the 4-3 loss eliminated Haliburton from further OMHA playoffs.

The Little Huskies had shown marked improvement throughout the course of the year. Hard work and dedication by the players had brought them further than had been expected.

OMHA Little Huskies' PeeWees should have a good year to look forward to in 1982-83.

Midgets tied

from page 6

his third to give Haliburton a 6-5 lead. The goal brought the crowd to their feet in celebration of an apparent victory, but the jubilation was shortlived, as Wellington came back to tie the score 20 seconds later on a scramble close in.

Coach Derrell Stamp sent his players to the dressing room for a rest before the start of the overtime period, but the referees insisted that play continue without a break. Despite an argument over the rule interpretation, there was no choice but to resume play.

Both teams appeared tired as the fourth period produced end to end play but no goals. Finally, with just 40 seconds left on the clock, Kelly Mitchell put one up high that got by the Wellington net minder, and Haliburton had the advantage. The lead held as the final seconds ticked off, and Haliburton took a 7-6 win to even the series.

Wellington has yet to sign a contract for the playoff series, and as a result, a date for the next game has not been set.

Fish derby

from page 6

with a 1 lb., 9 oz. fish. Ron Mintz caught the first fish; Jack McDonagh was the oldest fisherman, and Norm Greenfield had the honour of landing the smallest catch of the day. It weighed just 20 grams.

Atoms end season in tournament

On Saturday, March 13, 1982 the Tri-County Atoms played their last game of the season in the annual Glen Dart Tournament. Because of severe difficulty in ob-

taining an out of town team five Novice players were brought up and two Haliburton teams were made up as follows:

Team #1: Jamie Hunter,

Bowlers make high scores

Wednesday afternoon bowling league results of March 10 show high bowlers for the day were: Gord Bennett, 371 single, 758 triple; Kay Barry, 240, 233, 669 triple; Muriel Peters, 204, 221, 591 triple; Flo Henderson, 228, 201, 579 triple.

Other games 200 and over

were rolled by Jim Grant, 280; Laura Fagan, 227; Ev Perrin, 212; Ev Stata, 220; Garnet Fagan, 210.

Team standings in the sixth week of the third series are: Sting Rays, 36; Pelicans, 26; Miss Fits, 23; Sky Siders, 16; Thunderbirds, 16; and Sky Larks, 9.

Minden ladies win bonspiel

Twelve rinks competed in the Andres Wines Bonspiel for the C.K.C.O. trophy at the Haliburton Curling Club on Saturday. Penny Obee's Minden rink of Toos Reid, Lois Titus and Robin Heise emerged as trophy winners with a total of 38.5 points. Runner up was Phyllis Woodcock's Haliburton rink of Sheila Popple, Sandra

Casey and Bernice Scott with 38 points. Doris Winter's Haliburton rink of Jane Johnston, Dale Walker and Helen Burk was third.

High one game winners were Jean Collier's Haliburton rink with 29.5 points, Julie Hunter's Bobcaygeon rink with 26 3/4 points and Emily LaRue's Haliburton rink with 26.5 points.

Jason Morissette, Darren Warburton, Sean Billings, Danny Connaughan, Pat Casey, David Bint, Lance Stinson, and Ryan Griffin.

Team #2: Callum Wood, Donald Bint, Craig Bain, Brian Waller, Jeff Stamp, Kent Miller, Christopher Dair, Russell Morrison, and Jason Yakelashke.

In an exciting game between these team mates excellent goal tending from team #2's Callum Wood proved to be the difference as he held team #1 scoreless on several goal opportunities. Two goals scored by Christopher Dair, both assisted by Brian Waller and another unassisted goal by Kent Miller completed the scoring for a final 3-0 for team #2.

Coach Walter Prime expressed thanks to Robert Pollard and Jim Watson for their assistance during the year, and to the parents who gave their time and money in driving the kids to the games and supported the coaching staff.

The Haliburton OMHA Midgets tied their Ontario semi final series against Wellington with an overtime win before a large crowd at the Dysart arena Sunday.

Both teams were hindered by a rash of penalties, but Haliburton appeared to have the edge in skills, and could go all the way.

Bantam series changed by tie

from page 6

seconds left in the period. This gave the Haliburton club quite a lift going into the third period.

Haliburton, who were never ahead in the game to this point, found themselves down a goal once again as Ennismore jumped back into the lead after 2 1/2 minutes of play. Len Johnston once again came through only seconds later on passes from McKee and LaPorte as both clubs settled down to some more close checking and golden opportunities to score only to have both goalies come up with sparkling saves. The period ended in the tie to force the second game in a row into overtime.

During the overtime the referees got into the act and called three questionable penalties on Haliburton while Ennismore failed to pick up an infraction. Cory McKnight was sent off for elbowing on a good clean check with seven minutes remaining, but Chris LaPorte snared a pass from Mike Blake and raced down the ice to shoot from the side and beat the Ennismore goalie cleanly. This was the first time Haliburton had the lead and they were determined to keep it. Blake received a penalty with 4:45 remaining that Haliburton successfully

killed and then LaPorte received a hooking penalty with only 43 seconds left. Haliburton once again killed the penalty as time finally ran out to give them the win 4 to 3. The shots were fairly even with Haliburton having the edge, 27 to 21.

Game three in Ennismore on Sunday was another fine hockey game with both teams giving their best. This time it was Haliburton who jumped into the lead when Len Johnston lofted a pass from the corner to the front of the net only to have the puck hit the goalie's glove and trickle into the net. This took place at the 3:35 minute mark of the period. Haliburton came back very strongly during the rest of the period as they outshot Ennismore 11 to 1 but could not score on Lavigne in the Ennismore net.

Haliburton took two penalties to one for the home team.

Haliburton failed to increase their lead in the second and at the same time held Ennismore off the score sheet even though penalties played a big part in the play. Both teams seemed frustrated because of their inability to score and the referees decided to cook the teams out with a rash of penalties. Haliburton re-

ceived seven minors to Ennismore's five but were still able to control Ennismore as they outshot them again by a four to one margin.

Both teams were short-handed early in the third period, but the Ennismore club returned to full strength before Haliburton and at the 1:40 mark, scored the tying goal. At this point the Haliburton club felt that MacNaull, who had been serving a double minor, should have returned to the ice. The referee was questioned but referred to the time sheet and ordered MacNaull to remain in the penalty box. The Haliburton club was sure an error was made at this point, but to no avail. With the man advantage Ennismore scored only 11 seconds later to give them a 2-1 lead. Chris LaPorte tied the game unassisted seven minutes later.

With only 2:44 remaining, Ennismore scored the go-ahead goal from a goalmouth scramble. Haliburton, intending to pull the goalie to try for the tie, were beaten once again 22 seconds later on a long shot that Duchene couldn't get a handle on. The game ended 4 to 2 for Ennismore and the series now remains tied at three points each.

The fourth game is scheduled for Tuesday night and

the fifth will not be played until after the March break on Tuesday, March 30. If a sixth game is necessary it will be scheduled the week following the 30th.

If there are hockey fans who enjoy good playoff hockey, do not miss the next games between these two clubs as they are both talented and very evenly matched.

Bowling standings remain the same

The standings of the teams in the Tuesday afternoon bowling league remain the same as of March 9, 1982. The high average for the men is held by Harry Henderson with 198 and for the women by Eva Piper with 205.

Triples of 600 and over were bowled by Eva Piper 630, Maud Coulter 619 and Millie Boskett, 638.

Games of 200 and over were bowled by Millie Boskett 253, Tom Hurtt, 213, Mary Orpana 215, Gloria Nimigon 224, Roy Parnell 227, Norm Clift 223, Lloyd Boskett 208 and 203, Linda Salvatori 206, Gladys Wruth 259, Eva Piper 224 and 210, Maud Coulter 217 and 220 and Harry Henderson 213 and 211.

Happy Gang News

by Watson Anderson

On Mondays we are not fed too much activity, but a couple of us went to Lindsay for the day on the bus and it was nice to find that they spoke our language. What brought that up was that we engaged in talk with a descendant of one of those United Empire Loyalists who fled the States after the New England revolution when there was strong talk of adopting German and not English as their official language. It was a long time before they discovered that what they fled from did not happen, the English language did not lose. Their Congress (like Canada's parliament) took a vote on it and both German and English came out even requiring, not the President (George Washington) but the secretary of State to cast the deciding vote that turned out to be in favour of the English language which for all time became the official language of the United States and the German language lost out. The German people accepted the verdict with grace as being the best for the well-being of that wonderful nation to the south of Canada. That is what Lindsay did for us.

Tuesday morning we were glad that June Devolin chose the biblical story of Jonah, the most fairy like of all the biblical stories. It is fantastic and it seems to put Jonah more nearly on God's level than was accorded any other of the prophets, as though God himself had temporarily become more human than God. Thanks June!

Bingo as usual Tuesday afternoon dominated the activities calendar with Betty Wise, Bernice Ross, Carol Lewis and Helen Archer giving all of us closer help and scrutiny. Through all of this Ray Smith called without complaint, making us wonder if we could manage without faithful Ray. This was an exceptionally peaceful game.

The transportation of lethally toxic materials in Canada without those terrible clean-ups has now become a relic of the past. No one as yet has seen fit to blame the Prime Minister.

Near Wednesday noon the volunteer owner drivers arrived to transport some of us to Locarno-on-the-Lake for dinner. Les and Gwen Hughes took Hazel Parish and Jack Pollard, Pat and Harry Wooley took Norman Titus and Watson Anderson,

Ivy Shaw took Peggy Henderson and Carol Lewis, and Mirium Barnes took Alice Hartle and Flossie Burk. Jack Basset was the M.C. and cheer leader. Dinner consisted of breaded pork chop, with mashed potatoes and mixed vegetables, vanilla ice cream was the dessert, with lots of tea and coffee. Although it nestles beside Lake Kashagawigamog, the lake was completely obscured by falling snow. It did not snow all the time we were in Florida.

That red maple twig we got from our neighbour displayed many healthy leaf buds and a suggestion of a developing root system, so we potted it to be ready for the outdoors the 24th of May. Eventually, it will result in a healthy red maple tree.

Our solar system took on the elements of a circus this week. Even the elephants performed spectacularly. There is no evidence that the cosmos with its billions of galaxies ever had a beginning. The idea of black holes or queerly acting quasars existing violates all the laws of physics that we studied in grade X continuation school.

Melissa Stevens conducted choir practice Monday morning with Jan Shipley at the piano. No matter how many enterprises the Happy Gang have going for them we appreciate them all and the effort that goes into it.

In the afternoon carpet bowling was the scheduled activity and as usual Mirium Barnes brought along a group from the ARC Industries and scoring was to say the worst, leaving some leeway for improvement.

Thursday was a fun activity, an activity that can't be beat. Those who want fun must be funny and surely all the members of the Happy Gang are funny and naturally happy. As for fitness, the companion activity, that is the lack that Ivy is working on.

In the afternoon the ladies baked chocolate chip cream bars that they plan to nibble on at the coming Monday quilting bee. This time the quilting consists of ties rather than stitching. It is a very beautiful quilt of innumerable relatively tiny squares set in a nicely balanced patchwork.

Eventually someone is going to get possession, but by that time there may be no chocolate chip cream bars to nibble on.

The Rev John Smith, pastor of the Lakeside Baptist

Church, and pianist Margaret Sissons conducted the Friday morning devotional period. The theme was taken from the gospel according to St. John, ch. 17 and is a sort of doxology of prayer of Christ to his Father on the eve of crucifixion, that his work of teaching among mortals was finished. As an after service snack we enjoyed the ginger mounds we previously advertised.

In the afternoon we had movies - 1. Living with Snow:

Working group helps retarded

Suppose, as a resident of Haliburton County, you believed that there was a need for a relief programme for parents of mentally retarded children. Suppose you believed that a local speech pathologist or other specialities were required to meet the needs of the county's mentally retarded. What would you do with your ideas?

One organization formed to ensure that the services for the mentally retarded in Haliburton County are of high quality and accessible is the Tri-County Local Working Group. Knowledge of the group's role may be of value to parents of mentally retarded persons living at home, in the residence, working at ARC or having other work placements. In addition, knowledge of the group may benefit those citizens interested in the welfare of the community as a whole.

In 1974, the Ministry of Community and Social Services encouraged the development of community based services. Community participation in the planning process for these services was also encouraged. One manifestation of the decentralization plan was the formation of the Tri-County Local Working Group to serve the counties of Haliburton, Victoria, and Peterborough.

There are nineteen working groups throughout Ontario. The roles and responsibilities of the working groups are defined in a provisional mandate provided by the province. They are the following:

- secure and analyse data on needs
- provide annual and long range plans
- provide assistance to those submitting proposals for review
- review of proposals
- recommend funding to the ministry
- coordinate services
- advise government on policy development
- support and encourage public education programmes
- monitor and evaluate service systems

In the case of the Tri-County Working Group, the membership is comprised of representatives from each of the three counties. The members are drawn from the associations for the mentally retarded, community volunteers, and from direct service and administrative staff in fields of health, education and social services. The group meets monthly in either Lindsay or Peterborough, and on occasion in Haliburton.

In promoting the decentralization plan, the Ministry of Community and Social Services recognized the need for a full time Mental Retardation Coordinator for each of the nineteen districts in the province. The Coordinator was responsible for

There may be a Scotchman who doesn't love the thistle: there may be an Englishman who doesn't love the rose, but show me a true hearted son of old Ireland who doesn't like the land where the Shamrock grows. To our readers, great and small, the top of the morning to you all.

We had Rev. Burgess back with us Sunday night. He spoke on "Let the beauty of the Lord God be upon us". Harold Thompson read the lesson from Psalm 90. Mrs.

Thompson played and lead the singing.

We watched two real good movies Monday night "The Living Mountains" and many other things.

Tuesday morning Rev. Wicks of the Minden Gospel Church held the service here. He spoke on "I am the Good Shepherd". Fred Ballard played the music - a very nice service. Tuesday night is music night, when Payne, Duncan, and Crowe came to entertain us, and put on a real good show. They played,

and sang some good old songs of days gone by. Daryl has a real nice voice but seems a little shy.

We have a fine lady, whose name is Marie. She is as busy as she can be. She looks after all the kitchen supplies, also does the shopping for the gals and guys. She does all this with a cute little smile, never a frown. If she ever left here, we'd be surely let down.

Our ladies are busy making hats for St. Patrick's Day. If you want to see their fancy work, you look in the showcase by the way.

Our administrator has been down with Asian flu. We thought he might just kick the bucket, and we were feeling awfully blue. He said himself he thought he couldn't shake it, but now he thinks he is going to make it.

A letter from Mary Oliver says she is doing fine, and hopes to be back with us in a month's time.

The ladies of St. Peter's

Church of Maple Lake served our tea party this Thursday afternoon. Oh, and by the way, their Shepherd came along with them, so they wouldn't go astray. It was good to see friends of yesterday - friends whom we hold so very, very dear.

I was sing-song time again this Friday afternoon. Mrs. Coburn couldn't come to sing a merry tune. Fred Ballard came to play for the residents to sing some good old hymns.

The Auxiliary held their card party last night in the auditorium. I guess they had a real good crowd, and had a lot of fun.

There was a young lassie named Molly Malone who longed for a sweetheart and a home of her own. Now there was this laddie named Paddy O'Flinn; I'll just set my cap and try to catch him. For she knew he had a cute little shack, with shamrock all round and a place at the back. Everything so neat and so trim, now she is Mrs. Molly O'Flynn.

Bracebridge wins local tourney

A team from Bracebridge emerged the winners in an Atom A hockey tournament in Minden Saturday, while a squad from Millbrook earned the consolation championship.

In the opening game, Haliburton took on Minden and came out on top, 4-2. Minden's Scott Russell scored first, but Haliburton came back with two, as Shaun Perrin and Jeff Francis each notched single markers.

In the second period, Minden's Scott Russell connected again to tie the score, but it was shortlived, as Shaun Perrin put Haliburton back in front only seconds later.

In the third period, Jason Morissette tallied from Philip Johnston to round out the

scoring and Haliburton's 4-2 win.

Game #2 saw Bracebridge shutout Millbrook 5-0. In Game #3, Ajax got by Orono 3-1, and in Game #4, Pickering edged out Bowmanville 7-4.

In second round action on the championship side, Bracebridge defeated Haliburton 4-1, and Ajax got by Pickering 3-2.

On the consolation side, Millbrook rolled over Minden 14-2 and Bowmanville defeated Orono 5-3.

The championship game was won by Bracebridge by a 5-1 score, and in the consolation final, Millbrook won. Please turn to Page 11

HHSS qualifies for COSSA

On Tuesday, March 9 at the Haliburton curling club the "HHSS" rink of Doug Cross, Sean Harrison, Dave Bishop, Peter Jennings and Vic Mitchell emerged from the eight rink competition with three straight victories for their first Kawartha

championship. The HHSS rink as well as the Adam Scott rink qualified for the COSSA championship in Campbellford on March 15. The winner of this competition advances to the OFSSA final.

DISTRICT NEWS

Guilford Pulse Beat

by Bill Wood
754-2854

Hi folks. Here is your roving reporter again with the news from the Guilford area.

Basle, Joan, and the Cooper children were down Chatham way last week, where they were attending a nephew's wedding.

The hospital beat this week finds Ruth Barry (Mrs. Irie Barry) at the Civic Hospital in Peterborough, recovering from an operation. I hope her many friends can call or send cards to her. This reporter wishes her a speedy recovery.

John Ford, former West Guilford resident, is also a patient at the Civic Hospital recovering from a serious back operation. Get well soon, John.

My lady and I stopped in at "Bernie's Place" last Tuesday for coffee and spoke with several friends and neighbours who were attending the semi-monthly "Wheels to Meals" program sponsored by the Home Support system. The folks really did enjoy their meal and were heading for the West Guilford Recreational Centre for cards, quilting, etc. It was nice chatting with these people and seeing them take such an interest in this worth while function.

A visitor to this area, who is really enjoying himself is, John Kerr, younger brother of Lucy Bruce. John is visiting Lucy from South River, Ontario and plans to stay until late spring. We all hope you enjoy your visit, John.

March 20 is the date to mark on your calendar to remind you of the monthly dance at the West Guilford Recreational Centre. The dance starts at 8:30 p.m. to 1:00 a.m. Entertainment will be provided by the ever popular "Tearsil Trio". This group from Orillia, is well known in the area for their fine music. Tickets can be purchased at the door for this licensed dance for \$8 a couple. Come on out and share in the fun. You

couldn't find a better way to spend a Saturday evening.

I have not received any calls from the area youths, concerning their use of the recreational centre. The committee has a meeting scheduled for Thursday, March 25. The ball is in your court, guys and gals, and it is up to you to score. Have you started your petition yet? I will need it by Wednesday, March 24.

The sports beat news for

this week -- several of our area young people will be going to Agincourt for the Agincourt Floor Hockey Tournament this week-end. They will be representing the senior elementary school from Haliburton. The area's senior girls are: Karen Cook, Michelle Harrison, Tracey Harrison and Lisa Sisson. The area's junior girls are: Angie Morrison, Lyndell Morrison and Kendra Sisson. Only one area boy is playing

for the junior boy's team and he is Mike McKay. Good luck to the Haliburton teams and remember it's not whether you win or lose, it's how you play the game. I'll have a report on the scores next week.

Marjorie Nicholls, my very able sports reporter from West Guilford, has informed me that our boy Bernie did very well this last week. Sunday, March 7, the L.A. Please turn to Page 11

Coboconk News

by Shiela Lake

Walter Marles of Lindsay was a Saturday dinner visitor of Mrs. A. Marles.

It is with sadness that word came of the passing of Mrs. Roy Shields (Jean) of Toronto last week. Jean has battled cancer for some time and that, as well as advancing years won out in the end. She was the step-mother of Bill Shields who operates the family hardware and dry goods business, the Home Hardware Store. Mrs. Shields was born at Harrison, Ontario and laid to rest there last Tuesday.

Also, our sympathy to the Latour's who own the Portage Restaurant on Hwy. 48 about four miles west of town. Their son passed away, age 19, last week-end. He had severe heart problems and had not been well for some time.

Mrs. Helen Reil hosted a bridal shower for Shelly Gibson at the Reil home on Thursday evening. Shelly will become the bride of Ian Smales in a ceremony at City Hall, Toronto on Friday, March 19 with a reception at the Sheraton Hotel to follow. Since the plywood fire, Ian has been employed at the plywood plant at Fergus. The newlyweds will make their home at Fergus.

I was sorry to hear Grant Benson is not well and back

in Ross Memorial Hospital. Maizie Kelly is holding her own in Peterborough Civic Hospital following her leg amputation last month.

Mrs. Ross Faulkner and the David Faulkner family spent last week-end with Lloyd Faulkner and Lawrence Davis at Belleville.

Mrs. Everett Cameron visited the Ron Sider family in Lindsay last week.

Mrs. A. Marles and I visited with my sisters, Mr. and Mrs. R. Harrison and Mr. and Mrs. Bill Goode and family at Queensville last Monday and enjoyed a shopping visit to Newmarket.

This is typical spring weather. Cold nights and sunny days. As I write, we have a huge puddle spilling over onto our lawn from the road.

Despite the road supervisors work to clear the drain, it is still frozen, despite numerous bags of salt.

Mr. and Mrs. Harold Rutter and daughter of Scarborough were week-end visitors of Mrs. Tom Rutter and Garnet and celebrated Ruth Rutter's birthday on the ninth.

Mrs. M. Faulkner and Mrs. A. Marles and myself visited Mrs. Alma Hunt and Clayton in Fenelon Falls on Wednesday evening. I also visited Jean Switzer at Bobcaygeon on Wednesday night.

Mrs. Frances Nesbitt spent a few days with her son, Norman Nesbitt and

Kinmount Korner

by Millie Moss
488-2399

Congratulations to Connie Crego on the birth of her second little daughter who decided to arrive before her mom made it to the Minden Red Cross. Proud grandpa Joe Crego tells me the latest addition weighed in at just over 6 lbs. Doting grandma is Dot Crego.

A family birthday party was held in honour of Ruth Janke at her home, RR1, Norland, Wednesday, March 10.

A very happy thirty-fifth wedding anniversary to Mitzi and Adolf Alzner coming up April 5.

Results of the Galway euchre party, Wednesday, March 10 were: ladies' high: Flo Drinkle, ladies' low: Maxine Cross, men's high: John Hickey, men's low: Jim Nightingale, lone hands: Yvonne Dyer. Thanks to Yvonne and Pauline for the nice lunch.

We enjoyed the company of our grandson, Jason, over the week-end and he even helped ring the bell at church last Sunday.

I was glad to hear Eddie Brown is home from hospital.

Alex Graham pulled some muscles while shovelling snow last week and is now sporting a very black and blue arm.

I had occasion to visit the doctors' office last Tuesday and it was like old home week what with meeting Lola Dettman and Win Wilson there.

Welcome home from Windsor, Bill Wilson.

It's been 34 years since the Spencer family all got together at one time and recently they started to arrive for the reunion at the homes of Gerald and Roly Spencer at Furnace Falls where a home party/buffet was enjoyed along with lots of card games. Present for

this grand affair was Mrs. Freda Graham, Mrs. Muriel Stinke, Lester Spencer and a niece, Mrs. Betty MacNeil, all of Great Village, Nova Scotia, Mrs. Pauline Harder of Scarborough, Mrs. Marjorie Gingras of Espevan, Saskatchewan, Mrs. Orpha Schofield of North Bay, Mr. and Mrs. Wayne Ridley and family from Little Britain, a nephew, Ricky Pines of North Bay, and a friend Ralph Dempsey, also of North Bay. Also present was Lori-Ann Spencer of Furnace Falls.

On Monday, Lester Spencer suffered a slight heart attack and was admitted to Minden Red Cross Hospital.

Then during the week Terry, Penny and Kristen Spencer arrived from Mississauga to visit with relatives and getting up to see their Uncle Lester at hospital. Some of the folks who were originally responsible for this great family and who could not attend are: Mrs. Frank Pincio, a great grandmother of Ricky. Mrs. Pincio will be 100 years young in November and currently lives in Stewiack, Nova Scotia. Happy birthday Mrs. Pincio. Mr. and Mrs. Allen Spencer of Great Village, Nova Scotia. These good people are 91 and 93 years of age and will be celebrating their seventy-first year of marriage on

April 28. A very happy day is wished for you both.

Cory Pearson and Elwood Swanton have been among the ailing this past week. I hope you're all better by now.

Eileen Shephstone, along with daughter Shirley Howe spent the day in Lindsay last Thursday.

I was glad to hear as of Friday that Margaret Telford and Connie Crego were both home from hospital. I hope you'll soon be back on your feet Marg and that you'll have your new little daughter home with you from hospital in Peterborough, Connie, very soon.

These are tasty: Cranberry Oat Squares: 1 3/4 cups Robin Hood oats, 1 1/2 cups Robin Hood presifted all purpose flour, 3/4 cups butter, 1/4 tsp. soda, 1 cup brown sugar, 1-15 oz. can of whole cranberry sauce. Preheat oven to 375 degrees F. Lightly grease a 9"x9" pan. Measure soda with flour. Combine flour, brown sugar and oats. Work in butter with fingertips. Pat half of this mixture into pan. Spread cranberry sauce over layer of oat mixture, then pat other half of oat mixture on top. Bake in quick moderate oven 45 minutes. Cut in squares when cool. Yield: 20 squares.

Helen Graham spent her Friday last, in Aurora.

Visit the New **Viceroy** MODEL at the **SPORTSMAN SHOW** in Toronto **MARCH 19 - 28** If you are interested give me a Call when you get back and I will make it even more interesting for you. **Authorized Rep.** Wilfred J. Jarvis Box 246, Minden, K0M 2K0 286-1713

Chatting with Irene

by Irene Moore
286-1674

I do believe that we are finally going to see some spring weather. Sometimes it is slow, sometimes it comes fast, is it really coming at last, sometimes it is bright, sometimes it is cloudy, but we all welcome spring, whenever it comes, especially this year. This Saturday is officially the first day of spring, March is over half gone, no matter if we get more snow it won't last and this is good syrup weather isn't it?

I think we all congratulate the Minden girls from the skating club who took part in the Inter-club Competition held recently in Bobcaygeon. You know if you do not take part, how do you know how good you are? We had Lisa Carr come home with a trophy for her first place over all win in the Preliminary; then our dance team of Julie Hall and Sara Lee Henderson won silver medals for second place. As one of my granddaughters said "where there is a will there is a way", she should know for against advice her group competed against strong teams for the first time and came out the winners. Keep up the good work girls.

Mrs. Peggy Davis of Foley recently spent a week with Mr. and Mrs. Earl Hewitt.

On Wednesday, March 10, the family and friends of Angus Coulter gathered at his home to help him celebrate his 84th birthday. Everyone had a very good time, we all hope that his friends will help him celebrate his 85th next year.

My, did Pete and Chris Dollo have a great time at Acapulco, Mexico. Pete was showing me a picture of the 140 lb. sailfish that he and four other men caught one day. They had a great fight with it at the start but by the time it was reeled in, it had no fight left. No wonder the hook was in its mouth, but the line had wound itself around its tail and it could not fight any more. They saw the Bob Fletchers while there but all are home now.

We wish to congratulate Dianne Garbutt for winning both the public speaking competition both in Haliburton and Fenelon Falls. Dianne spoke on curling and goes back to Fenelon Falls again on April 4 to compete again at a higher level.

The nameplates are up in the Library - Cultural Centre, but there is room for more, so if you would like to have a nameplate on the wall contact 286-1216.

Mr. and Mrs. Harold visited in Kingston on the week-end.

A town is just as good, as volunteer is understood; ask the troubled or the aged and you have your answer paged.

Mrs. Alan Brydson and Lesley Ann of Bracebridge attended the Minden Figure Skating Carnival on Sunday. Judge Rapson won the 50-50 draw at the Figure Skating Carnival last Sunday. He is the grandfather of Andrea Pawluch of the club.

Seven ladies attended the short course on displays and bazaars held at Fenelon Falls last Tuesday.

Once in the column I said it would take a lot to beat last years Carnival put on by

Minden Figure Skating Club. Well, this year they did it. It was the best yet. If you wanted laughs you got them; but as far as skating the members surpassed any I have ever seen, if you were not there you should have been for it was the best yet. I wonder what next year can do to top it?

There were 12 numbers with an intermission half way, but everyone was so just waiting for the last half to come. There is just no way to tell you about it really. Those young people brought the T.V. folk alive on ice. So many thanks to all; the Figure Skating Club for doing so well; M.C. Bill Payne; senior pro - Miss Jane Symons; junior and intermediate pro - Miss Andrea Burk; Miss Lori Moffatt, the guest skater from Lindsay club for an excellent style of skating. We enjoyed it all so much.

Wilberforce News

by J.M. Barker

Slushy lakes, snowstorms one day, pouring rain the next with strong, balmy winds thrown in to dry up some of the mess: welcome to March in Haliburton County. There seems to be a few die-hard winter fans who hope the season hangs on much longer. I guess by this time we've all had enough dead batteries and shovelling snow; just picture lazy afternoons on the beach, paddling quietly upriver as dusk falls. (I can't actually remember the last time I did that but it sure sounds good).

Meanwhile, reality is hockey season winding down for another year. Although in the case of two of the minor teams the description doesn't really do justice to the way that they finished off the season. Both the Midget and Novice teams won the championship in their divisions of the Bancroft District Association. Congratulations

to all players, coaches and parents who worked together to produce a successful and enjoyable season. Saturday, March 20, the annual Monmouth Cup Tournament will be held at the arena beginning at 9:30 a.m. Participating will be teams from Haliburton, Minden and Blackstock, so it looks like a good day to drop in for a game or three and cheer our local fellows on.

This past Saturday the fans did show up in full force to urge on both the Maynooth Ranchers and Inter-City Tire in the fourth game of the playoffs. Perhaps they're more than ready to hang up the skates and welcome those sandy beaches, but it was the only game against the Ranchers that Wilberforce didn't really seem to make them work for. Play was fast and the effort was there at points, but they just couldn't keep up with

the pace, resulting in a 5-1 win for Maynooth which makes them the league champs. Inter-City Tire weren't presented with a trophy Saturday night and their dressing room no doubt naturally lacked the jubilant atmosphere that is a part of such evident victory. But judging from comments throughout the regular season right through till the final game, they certainly have nothing to be ashamed of. As far as team performance, they were commendable in working their way through to this final series, especially when you realize that this is the first year this particular team has actually existed. Aside from this, they emerged winners in creating interest in hockey at the men's level. In Wilberforce again. The Tri-City league has in general drawn good crowds this winter, but our local team developed a fol-

lowing that not only dropped in to a handy arena for lack of something better to do, but felt compelled to support them when it meant less than an enjoyable drive to Bancroft on a wintery night. Thanks for the entertainment guys, and congratulations on a fine year, you really did come out winners.

Some fans slipped over to the Community Centre after the game Saturday night, while some chose to forgoe hockey entirely in lieu of the St. Pats' dance. A variety of music from rock to country kept the floor filled up with the Irish and those who wished. Actually, with the news from that country always so sad there probably aren't many people who are envious of their citizenship. But then we certainly have no right to cast any stones. Anyway, the dance was enjoyable. I hope there was

Gooderham News

by Mary Hadley

Some 65 distinguished Canadians will receive the country's highest honour, the Order of Canada, from Governor General Ed Schreyer at an official ceremony this spring. One of these is Bob Bradley of Wilfordale, a summer resident on Wolfe Lake.

He has been a trustee of the North York Board of Education since 1954. He received national honour for demonstrating "the kind of concerned citizenship that sets an example to us all". He also served as chairman of the Board of Governors of George Brown College of Applied Arts and Technology. He played a major part in founding the Canadian Vocation Association, now a national professional organization. He has worked for improvement of technical skills at the Secondary school level so that graduates will find it easier to enter trades or industry. Another body benefitting from his efforts is the Metro Toronto Social Planning Council. He is director of the community relations branch of the Ontario Housing Corporation.

We extend sincere congratulations and are proud to have this dedicated gentleman in our area.

Glamorgan Senior Citizens' Club met in the Community Centre Wednesday, March 10. After Dorothy Robertson said Grace, all sat

down to a lunch of western sandwiches, cake and beverage. Visitors, Mrs. Storey and Kai Shoenberg were welcomed.

The president, Ivan Hunter, introduced the guest speaker, Doug Hodgson, Director of Education for Haliburton County. He recalled that his father, Clayton Hodgson, M.P., was a lumberman with a camp at Bark Lake to which many men from Gooderham walked to work. The lumber was transported to Page 14

Guilford Pulse Beat

from page 9
Kings played Hartford and although the Kings lost 7 to 6, "Blazing Bernie" was in on two assists.

Tuesday, the 9th, the Kings stomped Colorado, 2 to 0 and Bernie made both goals, and was picked as the first star player for that game. Hooray, Bernie.

Wednesday, March 10, the Kings defeated what's-his-

name's team from Edmonton 3 to 2 with Bernie in for an assist.

Saturday, March 13 was unlucky for the Islanders as they sank by a score of 3 to 0 to the Kings. Bernie was also in on another assist. So far this season, Bernie has scored 10 points for 11 games. Saturday, March 20 the Kings and the Penguins will face off against each

other. This should be an exciting game because it brings two of our own West Guilford lads pitting their skills against each other. No matter which way this game goes, West Guilford can be proud of their native sons, Ron Stackhouse and Bernie Nicholls.

David Nicholls is spending a 10 day holiday in California, compliments of his big brother, Bernie, who sent him the airline ticket. David will be able to watch "blazing Bernie" play in three home games in Los Angeles. I'm sure Bernie will make a great showing to make his brother and us all proud of him.

A tip of the "Good Neighbour Hat" to the managers of the "Cookhouse" at the Haliburton Forest and Wildlife Reserve, for employing five local young ladies to work at their establishment. Corinne Handy, Karen Medcalf, Marion Medcalf, Angela Halwas, and Lisa Sisson are all working at the Cookhouse during the winter season, which looks like it might last some time yet.

Today is St. Patrick's Day and I would like to wish all my readers of good Irish stock a top 'O' the morning and may the road ahead be easy on your boots "Erin Go Braugh".

Household Hint of the week: Baking Soda, the Wonder Powder:

- Add it to your bath water for a soothing dip (unfortunately it won't work in the shower)

- Sprinkle a box of soda on the carpet and vacuum after letting the soda set 10 minutes. This removes dirt and leaves the carpet smelling fresh

- Put a pinch of soda in the bean or cabbage dish you are cooking, it removes a lot of the gasses that can upset the stomach

- A tablespoon of soda down the drains once a week will keep them odor-free

Well friends, that's all for now, so until the next column, God bless and take care until then.

Chatting with Irene

from page 10

Mr. and Mrs. Richie Harrison are home from Florida, but we were sorry to hear that Richie was very ill for one week. Other than that they had a great holiday.

Winners at last Thursday mini card party were: cribbage - Luther Wilson, Ethel Leigh, Euchre - lone hands - Gloria Lemieux, Georgina Deeks, May Spence.

The Bruce Rockory family of New Brunswick have been visiting with Mrs. and Mrs. John Rockory.

Mrs. Daisy Sutherland of Lindsay spent the week-end

with Mr. and Mrs. Eldon Deacon.

A number of people buy products from Lewiscraft. This means that you pay postage on what you get as well as having to send a money order or cheque. Now we all try to save money, so did you know that Bob MacBrien at Pro Hardware has been an agent for Lewiscraft for years? Once I found that out, I quit wasting my money and started to order through him. I kept my last book and go put my order in at Bob's.

Adios and take care now.

Dorset News

pital for a while. We hope she is feeling better and will soon be home.

Some of the older residents were saddened by the death of Mrs. Irene Stewart of Huntsville. Mrs. Stewart had been residing at Eden Home, Eden Mills, Ontario for the last several years. Mrs. Stewart was the former Irene Cole, daughter of Dick Cole and his wife, who were part of the pioneering Cole family who came to Dorset before the turn of the Century. The Coles moved to

Huntsville when Irene was in her teens. She taught school in Huntsville for many years.

Joe Lamothe, of Yearley, was welcomed as a news correspondent by another news reporter and I would like to add a word of welcome, also. I have relatives in Yearley and know the area quite well, so I'm always interested in news from there. So, happy news collecting, Joe.

The members of the Dorset Senior Club are keeping

busy. The shuffleboard tournament is on Monday afternoons, leaded glass on Tuesdays and regular meetings on Wednesdays. There are also classes in crochet and embroidery coming up. They have also had representatives at meetings at the Huntsville Senior Club on organization of regions and media coverage.

4-H veterinary club formed

by Ted Francis

The first 1982 meeting of the Haliburton County 4-H Veterinary Science Club was held at Minden Municipal Office on February 25 at 7:30 p.m. Club leaders are Dwain Wruth and Bob Barnhart.

Successful nominations were for executive positions were: president, Jim Wruth; vice president, Carl Alexander; secretary, Lisa Raby; news reporter, Ted Francis.

A number of young interested people were at the meeting. The next meeting will be held on March 11, at 7:30 p.m. at Dwain Wruth's farm, Lochlin and the topic will be "Animal Health". More interested people between the ages of 12 to 19 as of January 1, 1982 are invited to join. For further information, please call Dwain Wruth, 286-2416 or Bob Barnhart, 489-1849.

New information telephone

Revenue Canada, Taxation has a new long distance telephone number that will replace the old Zenith 0-4000 number for people seeking tax information.

Revenue Canada's telephone enquiry service is available to people across the country whether they have a District Office in their city or not.

For people not living in one of the 28 cities where a District Office is located, long distance service is provided at no charge to the caller. Until this year this service was available by dialing Zenith 0-4000.

The new telephone enquiry service, introduced on a trial basis in some areas last year, has now been implemented across the country.

THANK YOU

Gladys Main would like to thank the Dr.'s, nurses and staff at the St. Joseph Hospital, Peterborough, Dr. Hartwick and everyone who sent cards or visited me in hospital. 27-P-17

Many thanks to all my friends and relatives who sent cards, letters and gifts, made phone calls and visits while I was in Peterborough Civic Hospital and my convalescence at home. Also for the meals and "Goodies" for my husband while I was away.
My appreciation too, for the many cards, letters and donations to various societies on the death of my father in February.

Sincerely,
Margaret Finlay
27-NC-17

I would like to thank all my friends, relatives and neighbours for the prayers and kindness shown to me while a patient in hospital and upon returning home. Your cards, visits, phone calls, flowers and fruit and the many dishes of food you sent are really appreciated and are helping me to get well.
A special thanks to the ambulance drivers, Gerry and Wendell, and to Dr. Pierce and nursing staff for your care and concern.

Sincerely,
Wilma Watt
27-P-17

We would like to thank our many friends and associates who made our retirement party a memorable event. The thoughtfulness of the many guests including Resorts Ontario members, who presented us with a beautiful Duvet set, was appreciated. The notes and phone calls from acquaintances who could not attend were also pleasant to receive. Special appreciation to our genial hosts, Art and Joan Ward of Wig-A-Mog Inn.
We are grateful to have been a part of Haliburton County's tourist industry and hope to continue enjoying the company of our friends and neighbouring resort owners.

Bruce and Marion Henry
27-B-17

BIRTHS

BIRTHS

Lon and Rosalind Duncombe are happy to announce the arrival of a 10 lb., 8 oz. baby boy, **Ian Rexford**, on March 12, 1982 at Haliburton. Special thanks to Dr. Heyes and the nurses and staff at the Haliburton Red Cross Hospital. 28-B-17

ENGAGEMENTS

Mr. and Mrs. Doug Thomson of Ingoldsby are pleased to announce the engagement of their daughter, **Shelley** to Mr. **Luke Schell**, son of Mr. and Mrs. Les Schell of Haliburton. Wedding to take place on August 21, 1982. 29-P-17

DEATH NOTICES

AT REST
At the Red Cross Hospital, Haliburton, on Saturday, March 13, 1982
MARY JANE BANNON
In her 88th year.

Beloved wife of the late Caleb Bannon; dear mother of Harold, Robert, Marjorie (Mrs. Watt), John and Dorothy (Mrs. Royce Bain); loving grandmother of 17 grandchildren, 13 great grandchildren and predeceased by two grandchildren; and dear sister of Lizzie Pearson.
Funeral Service
Rested at the Gordon A. Monk Funeral Home, Minden, after 2 p.m. Sunday, for funeral service in the Chapel on Monday, March 15, at 1:30 p.m. Spring interment at Evergreen Cemetery, Haliburton. 31-CA-17

AT REST
Suddenly in Scarborough, Ontario on Tuesday, March 9, 1982.
COURTNEY: E. ROY
(Retired Pharmacist)
In his 74th year.
Beloved husband of Jean. Loving father of Joan Rigenbach of Basel, Switzerland and Peter of Willowdale, Ontario. Dear brother of Audrey McLean of Bond Head, Kathleen (Mrs. Reg Willett) of Stoke - Fleming, Devon, England and grandfather of Heidi, Vincent and Annette. Friends were received at the R.S. Kane Funeral Home, Willowdale. Service was held in the chapel on Friday, March 12, 1982. Cremation.
If desired, donations to the Alzheimer Society (222 Niagara St., Toronto) would be appreciated. 31-B-17

IN MEMORIAM

WILSON, Wm. Edward. In loving memory of a dear Dad who left us March 16, 1981.

Death the soul free to fly.
Remembering the love and laughter, daughter Debbie, son-in-law Bob and new grandson Michael. 32-B-17

WM. E. WILSON. In loving memory of a wonderful father and grandfather who left us so suddenly March 16, 1981.

We share so much Dad, Our love of home, Our love of music, Our love.
These time cannot change.
Daughter Sheila, son-in-law Steve and little grandson Brodie. 32-B-17

CURRAH. In loving memory of a dear husband, Alvin Currah, who passed away March 22, 1978.

Loving and kind in all his ways,
Upright and just to the end of his days;
Sincere and kind in heart and mind,
What a beautiful memory he left behind.
Deeply missed by wife Mary. 32-P-17

CURRAH. In loving memory of a dear husband, Alvin Currah, who passed away March 22, 1978.

IN MEMORIAM

CULLY. In loving memory of a dear husband and father, Lloyd Cully, who departed from us March 17, 1975.

Treasured thoughts of one so dear
Often brings a silent tear;
Thoughts of scenes long past,
Years roll on but memories last.
Though absent you are very near;
Still loved, still missed, and very dear.

Lovingly remembered by wife Madeline and family. 32-P-17

NOAH. In loving memory of my dear husband, Ernest, who passed away March 16, 1979.

I think of you in silence;
I often speak of your name.
All I have are memories
And your picture in a frame.
My heart still aches in sadness;
My silent tears still flow.
For what it meant to lose you,
No one will ever know.

Till we are together again,
Love Ernie, from Lucy and family. 32-P-17

WILSON, Wm. E. In loving memory of a dear husband, father, and grandfather, Bill, who passed away March 16, 1981.

We cannot bring the good times back;
Your hand we cannot touch;
But we still have sweet memories
Of the one we loved so much.
What we would give to hold your hand;
Your happy face to see;
To hear your voice and see your smile,
That meant so much to us.
What you suffered you told but few;
You didn't deserve what you went through.
Tired and weary you made no fuss,
But tried so hard to stay with us.
They say memories are golden,
Well, maybe that is true.
But we never wanted memories,
We only wanted you.

Forever loved and sadly missed by wife Dorothy, daughters and sons-in-law, sons and daughter-in-law and grandchildren. 32-B-17

MORRISON, Arthur. In loving memory of a dear father and grandfather who passed away March 16, 1981.

What we'd give if we could say
Hello, Dad, in the same old way;
To hear your voice, and see your smile,
To sit with you and chat awhile.
So you who have a Father,
Cherish him with care,
For you'll never know the heartaches
Till you see his vacant chair.

Deeply missed by son Larry, daughter-in-law Stella and grandson, David. 32-P-17

MORRISON, Arthur. In loving memory of my beloved husband who passed away March 16, 1981.

What you suffered you told but few,
You didn't deserve what you went through.
Tired and weary, you made no fuss,
But tried so hard to stay with us.
To some you may be forgotten,
To others a part of the past,
But to us who loved you and lost you,
Your memory will always last.

Sadly missed and always remembered by wife Elva. 32-P-17

Gooderham News

from page 10

ported to a chemical plant in Donald. In 1909 there were 112 teams of horses drawing wood to the Donald plant which was one of 26 chemical plants in Ontario at that time. When his father referred to someone as a "good" man, he was not thinking of his morals but of his ability to work. His theme was "Trends in Education Today". He paid tribute to the dedicated caring teachers of the past. But methods have changed over the years. No longer is force used to teach. The attempt to teach by persuasion and to make education interesting and a happy experience is of primary concern. Bill 82, passed in 1980, makes it mandatory to teach every child. So pupils are placed where they can learn. Everyone has some talent and must be given a chance. He pointed out the problem of our society getting into high technology which may mean less opportunity for many to work. He deplored the situation in societies where people don't have to work. He gave glowing praise to our local teachers, Mrs. Bailey and Mrs. Miller; Mrs. Easton, speech therapist; Mr. Glidden, music teacher; our elected representative on the school board, Julie Hunter, and formerly Vaneita Pickens. Our position is fortunate as a conglomerate area where each community has one member of its own.

Evelyn Vanderland capably thanked the speaker for taking time from his busy schedule to acquaint us with trends in education and for his efforts to make our school system more effective.

Games with the dart board and cards brought the meeting to a close.

United Church women met at the home of Mrs. Margaret Pickens last Monday afternoon. The president,

Pat Thornett, conducted the devotional period. The topic was on the book of Esther, in which the name of God is entirely absent. Although apparently destitute of any spiritual teaching, this wonderful story is aglow with the reality of divine Providence. The key verse - very applicable today - is "Who knoweth whether thou art come to the kingdom for such a time as this?" Following business, the hostess served a lunch. Hostess for the April meeting will be Shirley Madill.

Officially, Spring is just a couple of days away. The ground hogs must be aware of this for I saw one last Thursday crossing the Buckhorn North Road. I marvelled at how he burrowed his way through the mountainous snowpile.

Mrs. Violet Dovell had the misfortune to fall causing a painful injury to her arm, necessitating a trip to hospital. She is now convalescing at the home of her daughter, Mrs. Ken MacDuff, where she is improving each day.

Miss Dorothy Robertson has returned from a holiday in Florida. While there she enjoyed a visit to the Everglades and also to Key West.

On Saturday, March 20 you are invited to the Community Centre where a benefit dance will be held for Karen and Eddie Hunter who lost their home and all its contents in a disastrous fire this winter. Music will be provided by a d.j.

Visitors with Ileen and Ivan Hunter last week were their son, Lorne, with his wife Darlene, and sons, of Oshawa. I was sorry to see Lorne on crutches with a foot injury suffered at hockey. Mrs. Storey, of Toronto, is also a visitor with her daughter and son-in-law, Ileen and Ivan Hunter.

Vince Billings and Kenny

Sauve both underwent minor nose surgery at Peterborough hospital last week. Both are home and recuperating nicely.

Congratulations to Kathy Sauve who won a bronze medal in Pre Preliminary B Ladies' Competition for inter-club figure skating. This event occurred March 7 at Bobcaygeon when competitors were present from Bobcaygeon, Minden, Lindsay, Bancroft, Fenelon Falls and Lakefield. Good work, Kathy.

All householders in our area received an invitation to a "Get Acquainted" program about "Meals on Wheels" and other services to be held in the Community Centre on March 31. This should prove interesting and informative. Don't forget to make your reservation before March 26 to any of the names on the invitation.

Mr. and Mrs. Walter Madill spent a few days in Scarborough, guests of their

daughter and son-in-law, Margaret and Dawson MacDuff. While there, Marjorie attended the Royal Alex where she enjoyed the farce, "Not Now, Darling". She was also honoured with a birthday party.

Mrs. Irene McMahon, accompanied by her aunt, Mrs. Berdie Rose, of Markham, flew to Winnipeg recently. The special occasion was the 90th birthday celebration of her aunt, Mrs. Gould. They had a pleasant week visiting her aunt and cousin at that time.

Last Saturday at the Wilberforce arena, a good crowd watched the Nova Scotia Tykes, a novice hockey team, defeat the Apsley team 3-1, and thus win the championship trophy. First goal was scored by Steven Coombs, assisted by Cory Hunter. Jason Billings managed to put the puck into the net for the second goal with assists by Mark Picard and Michael Billings while Jason

Billings, unassisted, secured the third goal. This team has not lost a game throughout the playoffs. Members of the team to be congratulated are: Jason Billings, Michael Billings, Jamie Billings (goalie), Cory Hunter, Wayne Barr, Everett Simpson, Steve Coombs, Melanie Maharie, and Mark Picard.

On March 20 this team plays Haliburton in a tournament at Wilberforce for the Monmouth Cup. On March 27 they play in the Scarborough tournament, also at Wilberforce.

New tax number

from page 11

With the new number, taxpayers living outside the local calling area of Belleville can dial direct, at no charge.

People who have a tax question and can't find an answer should first consult their Tax Guide which comes with their tax return.

Minden parking fines reduced

Drivers who park illegally in Minden village will get a break when they get charged with an offence from now on.

At the regular council meeting last Wednesday, council opted to decrease parking infraction fines from \$10 to \$5 if paid within 48

hours. By-law enforcement officer, Dick Schell, told council he was "unpopular" when he issued a \$10 ticket. He pointed out most other municipalities issue tickets with a maximum fine of \$5. However, if the fine is not paid at the municipal office

within 48 hours, it will be increased to \$10 plus \$3 court costs and must be paid to summary conviction court.

If the fine remains delinquent the guilty driver can be fined up to a maximum of \$300, Schell said.
